PRESIDENT'S MESSAGE

As we approach the end of another remarkable year, I am honored to share my thoughts as the president of the Rotaract Club of Alumni of the University of Moratuwa. This year, we embarked on a journey guided by our theme, "Limitless YOU for a PASSION-driven FUTURE." Together, we have worked tirelessly towards creating a better world, driven by the passion and dedication of our limitless members.

Our commitment to the Club Service avenue remained unwavering throughout the year. We continued our project "Let's Meet," aimed at fostering stronger friendships among club members through our General Meetings, providing a platform for meaningful connections to flourish. Additionally, we expanded our network and extended the spirit of fellowship to previously unreached zonal clubs through the project "Compagnia." This avenue has consistently been a source of spirit and enthusiasm since the beginning of our journey. In the Community Service avenue, our signature project, "Kindred Kidneys," reached its fifth year of service, offering crucial support to patients suffering from chronic kidney diseases and their families, providing hope and solace during their challenging journey. Additionally, "Share the Joy" enabled us to spread happiness and create joyful moments with marginalized communities, making a tangible difference in their lives. This year, "Nena Sayura" introduced new elements, including donations of stationery to rural school children and a robotics workshop for students. Furthermore, the "Bio Harmony" and "Seaside Saviors" projects focused on ocean conservation, working to reduce plastic pollution and protect biodiversity.

In the International Service avenue, we explored new horizons by engaging with Rotaract clubs worldwide, driven by our passionate team. Through projects like "United We Stand," "Cross Boundaries," and "Envo Warriors," we formed strong global connections and collaborations, fostering international friendships. Additionally, we established a new twin club agreement with the Rotaract Club of Kathmandu, Nepal, and continued our twinship with the Rotaract Club of Mount Carmel College, India, further enhancing the bonds of friendship and cooperation between our clubs.

In the Professional Development avenue, our flagship project, "En-Vogue 3.0," achieved remarkable success, significantly impacting the community and fostering growth and skill development among Rotaractors. We also introduced new elements to the projects "Limitless Horizons 3.0" and "DIYer," providing skillful training to excel in higher studies abroad and raising awareness on energy management and vehicle maintenance. These initiatives offered valuable opportunities for our members to enhance their abilities and prepare for future endeavors.

In addition to these initiatives, we launched "Mora Smash," "Kick Back Clash," and "Sports Buddies" to sustain the sports spirit among our members and foster fellowship within the movement.

One of the key highlights of the year was the launch of the official website of Rotaract Alumni Mora, along with the club blog, made possible by the immense support and efforts of our IT team. Throughout the year, our PR and editorial teams worked diligently to maintain a strong reach and sustain member engagement across all our social media channels. In addition to our club's endeavors, we also hosted the district initiative "Lanka Trails" this year and actively contributed to the cluster initiative.

PRESIDENT'S MESSAGE

As a club, we enthusiastically participated in numerous district initiatives, Rotary projects, Interact initiatives, and external club projects. These collaborations not only allowed us to enjoy fellowship but also provided invaluable opportunities to experience the dynamics of teamwork and community engagement.

Throughout the year, we completed an impressive total of 30+ impactful projects, comprising over 60 sub-projects and phases with the immense support of 80+ passion-driven members. We are delighted to announce that we addressed all the Sustainable Development Goals and Rotary Focus Areas through these sustainable and impactful initiatives. This achievement is a testament to the collective effort and dedication of the entire Alumni Mora team, with each member playing an instrumental role. I extend my deepest gratitude to the board of directors, general members, and all those who have supported us along this journey. Additionally, I would like to express my appreciation to President Rtn. Razik Zarook of the Rotary Club of Colombo West, Youth Service Advisor Rtn. Brian Selvanayagam from the Rotary Club of Colombo West, and Guide Club Coordinator Rtr. Duleetha Sandaruwan for their invaluable guidance.

Furthermore, I extend my heartfelt thanks to all the past presidents, secretaries, and especially my beloved Joint Secretaries and Treasurer for their unwavering support through all the highs and lows.

As we conclude this remarkable year, I must acknowledge the support and collaboration of DRR Rtr. PP Sathma Jayasinghe, the District Steering Committee, and our fellow Rotaract clubs. It is through this shared sense of camaraderie and support that we have reached such heights.

As we bid farewell to this remarkable year, I wish Rotaract Club of Alumni of University of Moratuwa a future filled with even greater achievements, continued fellowship, and unwavering commitment to service. Together, we revealed the limitless potential within each of us for a passion-driven future.

Viva La Rotaract!

Rtr. Lakshani Pathirage
President 2023-24
Rotaract Club of Alumni of University of Moratuwa

JOINT SECRETARIES' MESSAGE

As we pen down this message, we are filled with immense pride and gratitude for the remarkable journey Rotaract Club of Alumni of University of Moratuwa has undertaken. Now in its 11th year of operation, our club has continuously evolved, driven by our collective passion for community service, personal development, and global impact. It is an honor to serve as your Joint Secretaries and to witness firsthand the dedication and enthusiasm each member brings to our shared mission.

From our humble beginnings with just 20 committed individuals, our club has grown exponentially, now boasting over 70 active participants. This growth is not merely in numbers but in the depth of our impact and the breadth of our initiatives. Our club's sustainable programs, aimed at serving the community and empowering youth, have left an indelible mark on countless lives, both within our nation and beyond.

One of the cornerstones of our success has been the strong and enduring relationship we have cultivated with Rotaract Club of University of Moratuwa. This partnership has been instrumental in aligning our efforts, sharing resources, and amplifying our impact. It has allowed us to tap into a vibrant network of young leaders who are passionate about making a difference.

Our year theme, "Limitless You for a Passion-Driven Future," encapsulates the essence of our mission. It serves as a constant reminder that our potential is boundless when driven by passion. This theme underscores the importance of lifting our peers while serving the community, fostering the culture of mutual support and collective growth. As Rotaractors, we are committed to creating a future where everyone can realize their fullest potential, guided by their passions and dreams.

"Empowerment Through Fellowship "

Fellowship lies at the heart of Rotaract Alumni Mora. It is through the bonds we forge and the camaraderie we share that create a nurturing environment for growth and development. Our fellowship events, workshops, and social gatherings are more than just opportunities to connect, they are platforms for learning, inspiration, and empowerment.

Through these interactions, we learn from each other's experiences, share our successes and challenges, and find encouragement to pursue excellence. This supportive network has been crucial in helping members navigate their personal and professional journeys, fostering a sense of belonging and camaraderie that extends beyond the boundaries of our club.

JOINT SECRETARIES' MESSAGE

Our endeavors are continuously bolstered by the unwavering support of our former members, who span the globe. These alumni, having experienced the transformative power of Rotaract firsthand, remain deeply connected to our mission. Their contributions whether through mentorship, financial support, or active participation in our initiatives are invaluable. They serve as role models and sources of inspiration, demonstrating the lifelong impact of being part of the Rotaract Alumni Mora family.

The Rotaract Alumni Mora's influence is not confined to our immediate community. Our projects and initiatives have garnered recognition and support on a global scale. From environmental sustainability efforts to educational programs and healthcare initiatives, our club has made substantial contributions to addressing some of the most pressing challenges of our time. In Rotary International year 2023-24, Rotaract Club of Alumni of University of Moratuwa has made significant strides in advancing all 17 Sustainable Development Goals (SDGs) through its diverse project initiative.

Our commitment to continuous growth and improvement ensures that we remain at the forefront of innovation and impact. By embracing new ideas, leveraging technology, and fostering partnerships, we are able to extend our reach and enhance the effectiveness of our programs. This global perspective is essential as we strive to make a meaningful difference in an increasingly interconnected world.

As we look ahead, our vision remains clear, to build enduring connections, foster a sense of belonging, and inspire excellence in all that we do. We are committed to nurturing the next generation of leaders, equipping them with the skills, knowledge, and values needed to drive positive change. Our focus will continue to be on sustainable development, community empowerment, and personal growth.

In the coming years, we aim to expand our outreach programs, deepen our engagement with local and global communities, and strengthen our support systems for members. By staying true to our core values and embracing the spirit of innovation, we are confident that Rotaract Club of Alumni of University of Moratuwa will continue to thrive with limitless passion and make a lasting impact.

We would like to extend our heartfelt gratitude to all our members, past and present, for their unwavering commitment and dedication. Your hard work, passion, and perseverance are the driving forces behind our success. We are also deeply appreciative of our partners, sponsors, and supporters, whose generosity and belief in our mission have been instrumental in our achievements.

A special thank you goes to our President and the current executive committee and also our advisors, whose leadership and guidance have been exemplary. Your efforts in steering the club towards greater heights are truly commendable. We are confident that, with your continued support, we will achieve even more remarkable

In the conclusion of this RI Year, Rotaract Club of Alumni of University of Moratuwa stands as a testament to what can be achieved through collective effort, passion, and a commitment to service. As we celebrate our past achievements and look forward to future endeavors, let us remain united in our mission and inspired by our shared vision.

Let us move forward with "Limitless You For a Passion Driven Future"

Sincerely,
Rtr. Danushi Suriyarachchi and Rtr. Nikith Fernando
Joint Secretaries 2023 -24

CLUB OVERVIEW

In its eleventh year running, Rotaract Club of Alumni of University of Moratuwa has continued to implement sustainable programs to serve the community as young professionals in the nation. Over the years, the club has also mentored and developed a strong relationship with Rotaract Club of University of Moratuwa. The club has worked hard and provided exceptional service in the years 2023-24, despite the economic hardships and other various challenges. The club members' willpower and fortitude have enabled them to develop creative solutions to help the community, expand club membership, and foster friendship and goodwill with the global Rotaract community. The club started off with 20 members, and throughout the previous few years, its membership has increased to almost 100+ active members. The club's blooming efforts have always been supported by former members from all across the world.

The yearly theme of the Rotaract Club of Alumni Mora, "Limitless You for a Passion-Driven Future," highlights the importance of embracing boundless potential to foster growth through passion. The club's commitment to building enduring connections and fostering a sense of belonging among its members is wholeheartedly embraced by Rotaract Alumni Mora. By coming together in fellowship, we create a supportive environment where everyone is inspired to pursue excellence and reach their fullest potential. The Rotaract Club of Alumni Mora continues to make a significant impact on the world by consistently growing and improving.

The club has established itself as a comprehensive Rotaract club by finishing more than 30 projects across all 6 Rotaract Avenues this year. The club has kept its commitment to the principle of "Create hope in the World". It has continued its distinctive community service initiatives in Sri Lanka, such as Kindred Kidneys", "Nena Sayura", "Suwa Arana" and "Share the Joy".

Also, "Let's Meet" and "Compagnia" are two other noteworthy projects that Club Service Avenue carried out this year. In addition, The Professional Development Avenue made a commendable job of creating initiatives including "DIYer," "Limitless Horizons" and "En vogue." Moving up to the international level, the international Service Avenue hosted the community service initiative as "Maithri" with RAC of Kathmandu-RID 3292 and "United We Stand" filled with many novel initiatives with foreign Rotaractors added more colors to the RI year. International Service team secured two twin club agreements this year with RAC of Kathmandu - RID 3292 (New) and RAC of MCC - RID 3191 (Existing). Programs like "Seaside Saviors" and "Bio Harmony" run by Environment Services Avenue, provide nature lovers with a new area to delve into.

Furthermore, the IT team revitalized the club's website and blog, breathing new life into our online presence. The PR and Editorial teams, with their creativity and unwavering commitment, reintroduced the wonderful "Vibrant Voyages" quarterly newsletter. The Sports team ensured our members stayed fit and active by organizing events such as "Mora Smash," "Kick Back Clash," and "Sports Buddies."

As a club, we collaborated on numerous district initiatives, including "RCL" and "Fellowship Visits." Throughout the year, we contributed to the successful completion of the Cluster project and hosted the "Lanka Trails" project, exploring new horizons with international participants.

The club was successful in bringing together a wide range of partners during the years 2023-24, including both Rotaract and non-Rotaract members from a variety of backgrounds, making this yearlong journey a collection of collaborative efforts to improve people's lives through sustainable and creative means.

CLUB HISTORY

Rotaract Club of Alumni of University of Moratuwa, chartered in 2013 under Rotaract District 3220, is a community-based Rotaract Club sponsored by the Rotary Club of Colombo West. The club was established with the goal of enabling members who were leaving the University of Moratuwa Rotaract Club to continue their involvement in the Rotaract movement. The club also extends a warm invitation to University of Moratuwa alums to join Rotaract and start an exciting career in service. The group started out with 20 members, and within the previous few years, its membership has increased to over 100.

Rotaract Club of Alumni of University of Moratuwa has undertaken numerous projects throughout the years under its avenues of service, including Club Service, Community Service, Environmental Service, International Service, Professional Development, and Sports.

The signature projects conducted by the club over the past years include "Kindred Kidneys", a project aimed towards supporting communities suffering owing to Chronic Kidney Disease in Sri Lanka, "Marathon towards Greenery", a series of projects aimed at conserving the environment aligning with the "Going Green" concept, "Mitrata", International Service initiative with Rotaract Clubs in Nepal (RID 3292), "Debractor", a friendly debate series with fellow Rotaractors from across, "Fellowship Diaries", the globe and fellowship under specific audience, the club has won a number of accolades and recognitions for its initiatives over the past years.

With the theme "Limitless You for a Passion-Driven Future," the club, now entering its eleventh year of service in 2023-2024, encourages everyone to embrace challenges and discover their limitless potential. Together, we passionately strive toward a sustainable and impactful future.

MEETINGS

Visits

DRR Visit - 16th February, 2024

Via Google Meet

The District Rotaract Representative's (DRR) Visit for the year 2023-24 was held according to a quorum for a general meeting before the stipulated deadline with the gracing of the DRR Rtn. Rtr.PP. Sathma Jayasinghe, Assistant District Rotaract Representatives Rtr. PP Sasitha Eldeniya and Rtr.PP Kavinda Senarathne, District Treasurers Rtr. Vinuri Nirody and Rtr. Reshaka Weersinghe, Guide Club Coordinator, Rtr. Duleetha Sandaruwan also attended the meeting. Then the meeting was terminated and the board of officials was then asked to join in for the progress evaluation of the activities carried out by the club. DRR had a very friendly discussion after the official segment with the board of officials about Rotaract.

ADRR Visit - 14th October, 2023

Via Google Meet

The Assistant District Rotaract Representative's visit was conducted as a board meeting prior to the stipulated deadline with the participation of the ADRR Rtr. PP Sasitha Eldeniya and Guide Club Coordinator Rtr. Duleetha Sandaruwan. ADRR accessed all the completed and ongoing activities and shared insightful suggestions for further improvements. She also commended the current progress of the club.

Purpose

General Meetings

The club regularly held monthly general meetings to keep our members informed about the progress of our activities, share special announcements, and foster a sense of camaraderie and community among our members. Throughout the year, we had the pleasure of hosting 15 general meetings including 10 general meetings with both our local and International Rotaract clubs. These meetings provided a valuable opportunity for us to come together, share ideas, and celebrate our shared commitment to service and making a positive impact in our communities.

Board Meetings

On a monthly basis, the club's Board of Directors held meetings to provide updates on the progress of our club activities and ensure that our projects were moving forward in a streamlined and effective manner. These meetings were a critical forum for collaboration and strategic planning, allowing us to work together as a team to identify opportunities for growth, address challenges, and ensure that we were fulfilling our commitment to service and making a positive impact in our community. Throughout the 2023-2024 year, these board meetings served as a cornerstone of our success, helping us to stay organized, focused, and accountable to our members and the broader community we serve.

Meeting Minutes and Reporting

At our club, we take great care to ensure that all meetings are thoroughly documented and circulated so that our members and stakeholders can stay informed about our activities and progress. Both our general meetings and board meetings are recorded, and detailed meeting minutes are submitted via our club's Rotary Management Information System (RMIS) on a monthly basis.

In addition to these recorded meetings, our president and board directors held regular meetings avenue-wise to discuss and update project plans. These meetings were a valuable opportunity for our leaders to collaborate and brainstorm together, leveraging their unique skills and expertise to ensure that our projects were moving forward in a strategic and effective manner. By maintaining these clear lines of

communication and documentation, we were able to stay organized, focused, and accountable, driving our club's success and impact on our community.

Venue

General Meetings and Board meetings were conducted both in person and in a hybrid format to accommodate members' evening availability. As a strategic approach, we held Joint General Meetings with local Rotaract Clubs to boost overall participation and encourage physical attendance.

Participation

Meetings were presided by the President, Rtr. Lakshani Pathirage whereas the Club Secretaries, Rtr. Nikith Fernando and Rtr. Danushi Suriyarachchi joined the President at the Head Table. Occasional participation of other guests such as District Committee Members, Past Members, International Rotaractors, and Guest Speakers completed the gathering. The general meetings were open to both present members and prospective members.

Excuses

To ensure that we maintained good levels of attendance and accountability among our members, our club implemented a method for tabulating excuses for any absences from our meetings. Prior to each meeting, members were notified in advance and invited to send in their excuses to President or the Secretaries. This method proved to be highly effective, allowing us to track absences and ensure that our members were staying engaged and connected with our club's activities. At each meeting, the Club Secretaries would read out the submitted excuses, allowing us to stay informed and up-to-date on the reasons for any absences.

Features

In order to enhance the effective participation in virtual and physical setup, to make the club members more enthusiastic, and to get to know fellow Rotaractors from other clubs well, several activities and sessions were carried out during the General Meetings and the Joint General Meetings. Entertainment acts were performed by the

members and Project "Speak Up 4.0", was a public speaking skills enhancement project for the enrichment of the members. Organizing committee members are recognized at the General Meetings following the successful completion of their projects.

CHAPTER 02

STRATEGIC PLAN AND PROGRESSIVE DEVELOPMENT

SWOT ANALYSIS

Strengths

1. Experienced Rotaractors joining the club as new Members.
2. Local and international, diversified, and resourceful membership
3. Organized club protocols in place and well-established over the years
4. The majority of the members are from stable financial backgrounds
5. Members are saturated with different skills
6. A considerable number of members being a part of the District Steering Committee in the recent past

Weaknesses

1. Low membership retention
2. No proper strategic plan to expand the membership
3. Limited membership engagement in external club projects
3. Delegation of responsibilities to general members.
4. Unavailability of a signature fundraising project.
5. Less priority in raising funds for potential projects.

Opportunities

1. Steady membership source from Rotaract Club of University of Moratuwa
2. Strong connection with industry and higher education.
3. Club members can financially contribute to donations.
4. Social Media platforms boost public image thereby strengthening fundraisers.
5. Strong support from Rotary Club of Colombo West.

Threats

1. The ongoing economic crisis in the country and financial burden of the members
2. The majority of members are either at the start of their professional careers or in the Final year of undergraduate studies.

UTILISING STRENGTHS AND OPPORTUNITIES

Utilizing Strengths

Experienced Rotaractors:

- Create avenues where experienced members guide new and less experienced members.
- Organize workshops led by experienced Rotaractors to share their knowledge on various topics relevant to club activities and personal development aligned with project "Coffee with Alumni Mora"

Diversified and Resourceful Membership:

- Hold events that celebrate the diverse backgrounds of members, fostering understanding and unity.
- Encourage members to share their resources, such as skills, networks, and materials, to support club projects.

Organized Club Protocols:

- Continuously review and refine club protocols to ensure efficiency and effectiveness.
- Provide training session for new members on the club's protocols to ensure smooth integration and consistent practices.

Stable Financial Backgrounds of Members:

- Establish a system for voluntary financial contributions from members to support club activities and projects as we did for projects such as "Sports Buddies" and "Share the Joy".
- Develop a strategic plan for the allocation of funds, ensuring that projects with the highest impact receive adequate support.

Members with Varied Skills:

- Match members to projects based on their skills to maximize the impact and quality of the club's initiatives.
- Organize internal workshops where members can teach each other new skills such as designing and video editing.

Exploiting Opportunities

Steady Membership Source:

- Develop program to seamlessly integrate new members from Rotaract Club of University of Moratuwa as "Coffee with Alumni Mora" to welcome newbies.
- Conduct recruitment drives targeting students and alumni of the university.

Strong Industry and Education Connections:

- Form partnerships with industry leaders and educational institutions for sponsorships, and collaborative projects.
- Invite professionals from these connections to speak at club events, providing valuable insights and networking opportunities for members.

Financial Contributions from Members:

Organize donation drives where members can contribute financially to specific causes or projects.

Social Media Presence:

- Run awareness campaigns on social media to highlight the club's projects and impact, attracting potential donors and supporters.
- Use social media to engage with the community, organizing online events and discussions to raise the club's profile.
- Revamping the official website of the club in the begining of the year with the great support of IT Team.

Support from Rotary Club of Colombo West:

- Plan and execute joint projects with the Rotary Club of Colombo West, benefiting from their experience and resources as "Dream Cricket".

CONTRIBUTE TO THE LONGEVITY AND SUSTAINABILITY

Turning Weaknesses into Strengths

Low Membership Retention:

- Develop engaging programs and activities that cater to the interests and needs of members to increase retention.
- Recognize active and dedicated members, fostering a sense of belonging and appreciation at the General Meetings and appreciation flyer series.

Limited Engagement in External Projects:

- Collaborate with other clubs and organizations on joint projects to encourage members to engage externally.
- Provide incentives for members to participate in external projects, for fellowship or professional development opportunities.

Delegation Issues:

- Offer leadership and delegation training for club officers to improve the distribution of responsibilities.
- Develop a clear and organized system for task assignment and follow-up to ensure responsibilities are appropriately delegated.

Low Priority on Fundraising for Projects:

- Establish a dedicated partnerships handling team focused on planning and executing fundraising activities.
- Incorporate fundraising goals into the club's annual strategic plan, ensuring that fundraising is a priority for all projects.

Reducing Threats

Economic Crisis and Financial Burden on Members:

- Focus on low-cost or cost-sharing projects to reduce the financial burden on the club and its members.

Members' Professional and Academic Commitments:

- Schedule meetings and activities at times that are convenient for members with varying schedules.
- Offer virtual participation options for meetings and events to accommodate members with busy schedules.
- Allow members to participate in projects on a per-project basis, giving them flexibility to contribute as their schedules allow.

LONGEVITY AND SUSTAINABILITY

Strengthening Membership Base

- Develop a comprehensive plan focused on attracting new members and retaining existing ones through project "Coffee with Alumni Mora".
- Pair new members with experienced ones to ensure they feel welcomed and supported, enhancing their commitment to the club.
- Offer a range of activities that cater to different interests and professional backgrounds to keep members engaged and involved through club projects.

Financial Stability

- Implement multiple fundraising strategies, such as signature events, donations from members, and corporate sponsorships, to ensure a steady flow of funds.
- Establish an endowment fund where a portion of the club's income is saved and invested to provide financial security for future projects.
- Maintain transparency in financial matters, regularly updating members on the club's financial status and involving them in budget planning.

Effective Leadership and Governance

- Offer regular training and development opportunities for current and future leaders to build strong and capable leadership.
- Develop a clear succession plan to ensure smooth transitions in leadership roles, preventing disruptions in club activities.
- Create and maintain active committees for different aspects of the club's operations, distributing responsibilities and ensuring comprehensive management.

Strategic Partnerships and Networking

- Form partnerships with local businesses, educational institutions, and other organizations to expand the club's reach and resources.
- Establish a robust alumni network to keep former members engaged and involved in the club's activities, leveraging their experience and connections.
- Actively engage with the local community through projects and events to build a strong support base and enhance the club's reputation.

Innovative Projects and Impactful Service

- Develop and sustain signature projects that are well-recognized and impactful, providing a stable foundation for the club's identity and purpose.
- Regularly measure and report the impact of the club's projects to demonstrate value and attract continued support from members and partners.
- Stay adaptable to changing circumstances and needs, regularly reassessing and updating projects and strategies to remain relevant and effective.

Enhanced Communication and Visibility

- Maintain an active presence on social media and other digital platforms to engage with current and potential members, showcase the club's activities, and attract support.
- Send out regular newsletters to keep members informed about club activities.
- Invest in public relations efforts to enhance the club's visibility and reputation in the community and beyond.

Sustainable Practices

- Incorporate sustainable practices into club activities, such as reducing waste, using eco-friendly materials, and organizing environmental projects.
- Develop long-term strategic plans that include sustainability goals, ensuring that the club's growth and activities are sustainable in the long run.

CHAPTER 03

CLUB MEMBERSHIP

MEMBERSHIP STRATEGY FOR THE YEAR

The Rotaract Club of Alumni of University of Moratuwa is a community-based club made up of graduates and final-year undergraduates from the University of Moratuwa. Many of the club members were previously part of the Rotaract Club of University of Moratuwa. Throughout the 2023-2024 period, the club implemented various strategies outlined in an action plan to retain, attract, and develop an active member base. These strategies aimed to filter the active membership, resulting in a shift from 83 to 77 over the course of 12 months. To achieve this, specific objectives were established to guide the formulation of different strategies for member retention and development.

The club aims to draw in new members from two key groups: Rotaractors who are leaving the Rotaract Club of the University of Moratuwa and graduates from the Faculty of Engineering, Faculty of Information Technology, Faculty of Architecture, and Faculty of Business. To achieve this, the club will implement strategies to attract and engage these individuals. Additionally, the club plans to retain its active senior members by having their exposure, meanwhile by getting their advices towards improvements and strategies to step forward. This will provide them with opportunities to actively participate in club activities and contribute to its growth and development.

Furthermore, the club intends to enhance the involvement of newly joined members in club activities. This approach will help them gain a deeper understanding of the club's dynamics and create a pathway to reach out to non-Rotaractors from the University of Moratuwa, expanding the club's membership base. The club implemented a series of initiatives that engaged various stakeholders, including Rotaractors, non-Rotaractors, past members, present members, and prospective members from the Rotaract Club of Alumni of University of Moratuwa. These initiatives aimed to foster inclusivity and collaboration among different groups.

- Allowing prospective members to actively participate in the management of projects. This approach not only provided them with valuable experience but also allowed them to contribute to the club's activities from an early stage.

- Building partnerships with organizations operating within the University of Moratuwa. These collaborations aimed to conduct sustainable initiatives that had a positive impact on the community and leveraged the resources and expertise available within the university such as MoraSpirit initiative ,IEEE Student Branch and Leo club.
- To attract new members, the club made efforts to establish a positive image of the Rotaract Club of Alumni of University of Moratuwa among undergraduate students. This was done to create awareness and generate interest in joining the club.
- The club aimed to revitalize and encourage senior or inactive members to actively engage in club activities. This was achieved through targeted communication, providing opportunities for involvement, and recognizing the value of their contributions.
- As part of membership management, the club identified inactive members and terminated their membership to maintain an active and committed member base.
- The club organized initiatives that catered to the specific needs and interests of alumni members, aligning with their lifestyles and expectations.
- The club provided benefits to members participating in sessions, acknowledging their involvement and contributions to the club's activities.
- The phase one of the project "Coffee with Alumni Mora", the signature project of Membership Development Avenue, targetted to spread awareness to all the prospective members about the club and its projects outlined to the year. It was conducted as two sessions virtually. In the first session, two of our well known past Rotaractors shared their experiences with the participants. Then in the next session our very own avenue directors shared avenue plans for the year and invited members to join hands with projects. And the second phase of the project "Coffee with Alumni Mora" was held along with 10th Charter day celebration of the club. It was a place where prospective members got an opportunity to meet the past members of the club. All the members who joined got the chance to engage with groups activities while strengthening friendships.

Membership Growth

Membership at year start	83
Number of newly joined members	15
Number of members retained from last year	62
Number of members terminated	28
Current membership	77

Inductions

Induction process

The promotion of the Rotaract Club of Alumni of University among the Rotaractors in the Rotaract Club of University of Moratuwa was facilitated through the administration of the Rotaract Club of the University of Moratuwa. Additionally, a dedicated session through project "Coffee with Mora Alumni" was organized to communicate the club's dynamics and highlight the various opportunities it offers.

The induction of new members into the club was conducted on a quarterly basis, allowing for a consistent influx of fresh members. In the 2023-24 period, a total of 16 new members were officially welcomed and inducted into the club as active members for the RI year 2023-24. Among them we made only a one member inactive during the RI year.

List of new inductions within the year

	Name of the member	Date of Induction
1	Yasiru Indeewara Wijayasiri	2023-08-07
2	Vintura Silvage Sachin Deelaka Silva	2023-08-07
3	Waggama gamaralalage yasith anushka	2023-08-07

15	Munasinghe Arachchige Roshendra Chrishmal Perera	2023-08-07
16	Halpe Gamage Thumalka Rupasinghe	2023-08-07

Interactors who joined within the year

According to the club's by-laws, only alumni members of the University of Moratuwa are eligible to join the Rotaract Club of Alumni of University of Moratuwa. As a result, no interactors, who are current students of the university, were able to join the club during the Rotaract year 2023-24.

Terminations

Termination Process

To identify inactive members and those who wished to terminate their membership, a membership survey was conducted using email and Google Forms during the month of July of the RI year 2023-24. All existing members listed in the club registry as of June 2023 were informed about the survey and requested to respond by July 1st, 2023. The survey aimed to gather information on their willingness to pay membership fees and

continue their membership or terminate it. After reaching mutual agreements with members who wished to terminate their membership and identifying inactive members, the Rotaractors in question were terminated from the RI Portal by August 9th, 2023. Also, Made them Inactive/terminated in RMIS Portal. This process ensured an updated and active membership list for the club.

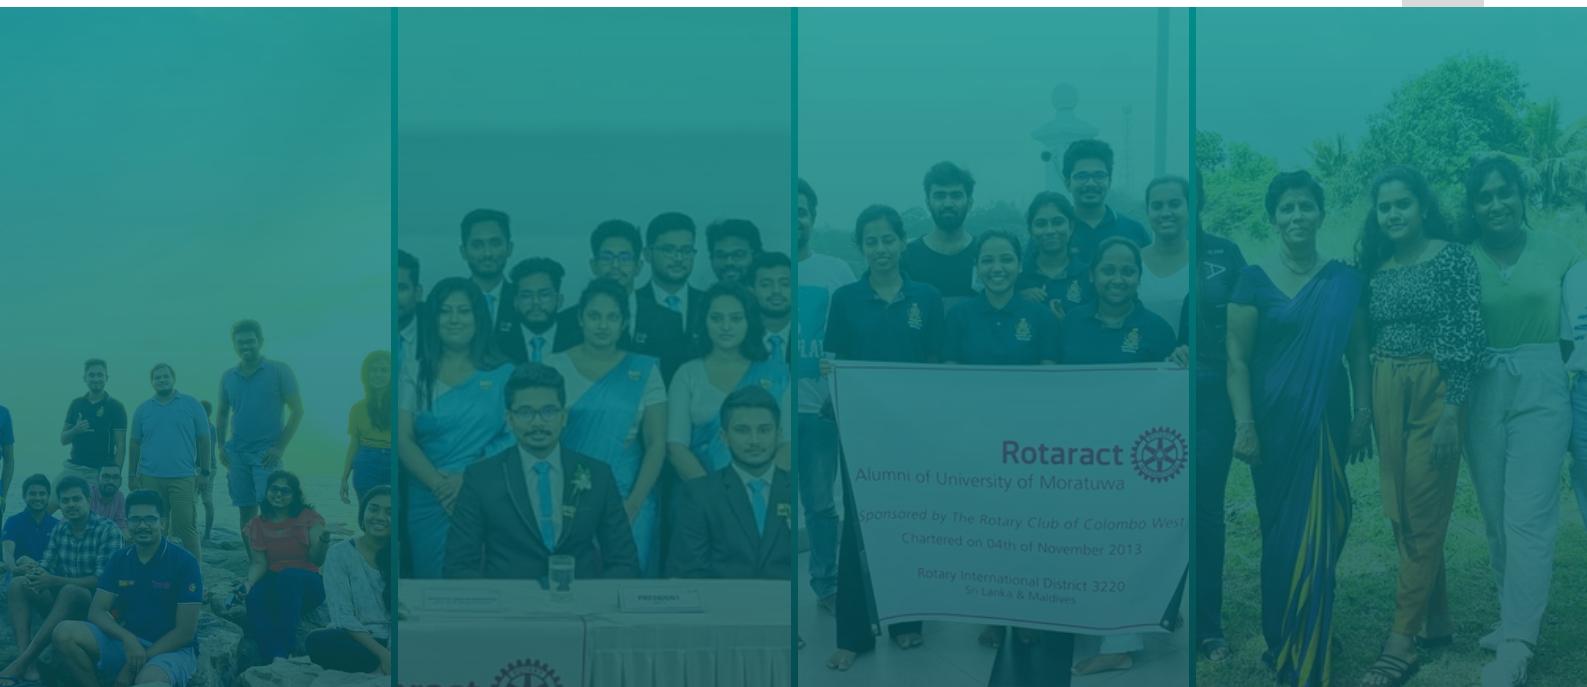

List of terminations within the year

	Name of the member	Date of Temination
1	Gallage Chathuranga Lakruwan	2023-08-09
2	Dinushani Jayani Wickramarachchi	2023-08-09
3	Herath Pathirannahalage Savindu	2023-08-09

PROJECT OVERVIEW

CLUB SERVICE

PROJECT OVERVIEW

CLUB PROJECTS

11th Installation Ceremony

Date : 06.07.2023 - 20.08.2023

Chairpersons : Rtr.Yasith Anushka, Rtr.Senith Cooray Rtr.Chamodi Samarasinghe

Secondary Avenue : N/A

The Rotaract Club of Alumni of the University of Moratuwa held its 11th annual installation ceremony on August 20, 2023, at DHPL Lounge 42 in Colombo, with a live broadcast on Facebook. The event marked the installation of Rtr. Lakshani Pathirage as the president for the Rotary International year 2023-24, along with her Board of Directors. Key attendees included Youth Service Director of Rotary Club of Colombo West, Rtn. Brian Selvanayagam, keynote speaker Ms. Rasini Bandara, District Rotaract Representative Rtn. Rtr. PP Sathma Jayasinghe, Rotaract District Steering Committee members, and Rotaractors, Rotarians, Interactors, and past and present club members.

The ceremony highlighted the club's accomplishments over the past year through a secretary's report by Rtr. Lakshani Pathirage, celebrating milestones and recognitions. Outgoing President Rtr. Ayesh Weerasinghe summarized the successful year, and ceremonially passed the leadership to incoming President Rtr. Lakshani Pathirage. The theme for the year, "Limitless You for A Passion Driven Future," was unveiled, reflecting the club's vision.

The event included speeches from distinguished guests, who offered guidance and well wishes. President Rtr. Lakshani Pathirage acknowledged the support of all guests with tokens of appreciation. The ceremony concluded with a vote of thanks by Joint Secretaries Rtr. Nikith Fernando and Rtr. Danushi Suriyaarachchi, followed by fellowship activities. The event's success was attributed to the collaborative efforts of the past and present Board of Directors and club members, ensuring smooth execution through shared responsibilities in PR, event planning, and coordination.

Impact of the project:

- Scaling up the fellowship element among peer club members.
- Enhancing team working and collaboration skills of the members.

Rise UP

Date : 2023.07.01 - 2023.08.13

Chairpersons : Rtr.Yasith Anushka, Rtr.Senith Cooray Rtr.Chamodi Samarasinghe

Secondary Avenue : N/A

Rise Up 2023 is the annual board training conducted for the board of Directors for the year 2023-24. The main aim of the project is to enhance collaboration between the team and provide an insight into the service done by Rotaract as Youth leaders. The training program was planned to be conducted as two phases; a virtual phase and a physical phase.

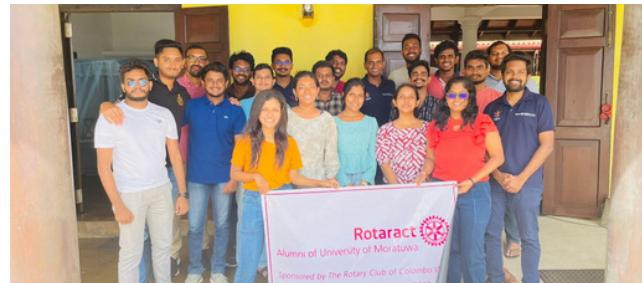

The first phase of the project which was a virtual gathering of the board of directors was held on 12th and 13th of July 2023 and the second phase was held in a span of two days at the Olivia Bungalow, Wattala as a physical gathering on 12th and 13th of August 2023.

The virtual phase of the project which was held on 12th and 13th of July via Google Meet, mainly focused on fine tuning the avenue plans for the new year while getting comments from a few past presidents and secretaries including professional development avenue, community service and environmental avenue, club service avenue, International service avenue, editorial avenue, membership development avenue, public relations avenue, partnership development avenue and digital communication avenue . Furthermore, a session which covers Financial guidelines for the new year were presented by the newly appointed Treasurer, Rtr. Hiran Rajasuriya and reporting guidelines for the new year were presented by Joint Secretaries, Rtr. Nikith Fernando and Rtr. Danushi Suriyarakchchi.

The second phase of the project comprised a physical gathering at Olivia Bungalow, Wattala on 12th and 13th of August 2023. which gathered many of the members from the newly appointed board.

Impact of the project:

- Help the board of directors join and have fun full time and make a bond.
- Enabling the members to get an understanding of the role of a youth leader and the alignment of service and passion through the service rendered by the Rotaract Movement

Firstly, day 1 consisted of a session on SDG's conducted by Rtr. PP Himantha Alahakoon. Then an experience and knowledge sharing session was held with the collaboration of Rtr. PP Himantha Alahakoon, Rtr. PP Kavinda Senaratne while enabling the members to get an understanding of the role of a youth leader and the alignment of service and passion through the service rendered by the Rotaract Movement. The possible challenges and strategies in overcoming these challenges were also discussed. As the last session for day 1, a session on Rotaract By-laws was conducted as a group activity by Rtr. PP Himantha Alahakoon. The first day night and second day morning board members had a relaxing time with delicious food, music and pool activities while strengthening the bond between the members. These activities enhanced the interaction between the members which enabled the members to mingle together in achieving the goals of the club as one team.

The smooth execution of the both phases of the board training summit encompassed the support of all the members of the past and present Board of Directors and members of the club.

Club Trip

Date : 01.07.2023 - 13.08.2023

Chairpersons : Rtr.Yasith Anushka, Rtr.Senith Cooray Rtr.Chamodi Samarasinghe

Secondary Avenue : Membership Development & Retention

Rise Up 2023 is the annual training program for the Board of Directors of the Rotaract Club for the year 2023-24. Its primary goal is to foster team collaboration and provide insights into the Rotaract's service as youth leaders. The program was executed in two phases: a virtual phase and a physical phase.

The virtual phase took place on July 12-13, 2023, via Google Meet, focusing on refining the plans for various avenues, including professional development, community service, environmental service, club service, international service, editorial, membership development, public relations, partnership development, and digital communication. Former presidents and secretaries provided feedback. Additionally, the newly appointed Treasurer, Rtr. Hiran Rajasuriya, presented financial guidelines, and the Joint Secretaries, Rtr. Nikith Fernando and Rtr. Danushi Suriyaarachchi, outlined reporting guidelines for the new year.

The physical phase was held on August 12-13, 2023, at Olivia Bungalow in Wattala. It began with a session on Sustainable Development Goals (SDGs) by Rtr. PP Himantha Alahakoon, followed by an experience and knowledge-sharing session with Rtr. PP Himantha Alahakoon and Rtr. PP Kavinda Senaratne.

This session helped members understand their roles as youth leaders and align their service and passion with the Rotaract Movement. Challenges and strategies for overcoming them were also discussed. The day concluded with a group activity on Rotaract By-laws. The evening and the following morning included relaxing activities with food, music, and pool time, strengthening the bond among board members.

The successful execution of both phases was supported by the collaboration of past and present Board of Directors and club members.

Impact of the project:

- Help the board of directors join and have fun full time and make a bond.
- Enabling the members to get an understanding of the role of a youth leader and the alignment of service and passion through the service rendered by the Rotaract Movement

Let's Meet 4.0

Date : 2023.09.15 - 2024.04.20

Chairpersons : Rtr.Savindi Sathsarani, Rtr.Madhushi

Secondary Avenue : Membership Development & Retention

The "Let's Meet 4.0" project, organized by the Rotaract Club of Alumni of the University of Moratuwa, aims to foster community and belonging among its members through a series of engaging events throughout the year. Each event is meticulously planned to cater to diverse interests, ensuring inclusivity and value for all members.

Phase 1: Adventure Day at Excel World (September 26, 2023)

The first phase featured an adventure day at Excel World, where members enjoyed arcade games, bowling, and bumper cars. The day was filled with excitement and bonding activities, enhanced by coordinated transportation and pre-arranged tickets, food, and refreshments.

Phase 2: Dinner at Tuk Tuk, Negombo (December 13, 2023)

The second phase involved a dinner at Tuk Tuk restaurant in Negombo following a joint meeting with RAC Negombo. The scenic dinner included a surprise birthday celebration for President Rtr. Lakshani Pathirage, strengthening the bond between the two clubs. All logistics, including transportation and reservations, were well managed for a seamless experience.

Phase 3: Beach Day in Galle (March 25, 2024)

The third phase took place on the beaches of Galle, post a joint meeting with RAC University of Ruhuna. Members engaged in beach games and relaxation, fostering camaraderie in a scenic setting. The event was well-organized with transportation and safety measures in place.

Phase 4: Aurudu Celebrations at Leprosy Hospital (April 20, 2024)

The final phase celebrated the Sinhala and Tamil New Year at the Leprosy Hospital Ministry of Health Sri Lanka. In collaboration with RAC University Alumni, the event featured traditional games and cultural activities, creating a festive atmosphere. Decorations, food, and supplies ensured a joyful and inclusive celebration.

Overall, "Let's Meet 4.0" successfully promotes fellowship, personal development, and community service. Through these well-executed events, the project strengthens the sense of community within the club, fosters new friendships, and enhances collaboration with other Rotaract clubs, making it a cornerstone of the club's annual activities.

Impact of the project:

- The "Let's Meet 4.0" project boosted member engagement and strengthened club relationships through enjoyable events, fostering a strong sense of community. Members gained valuable event planning and leadership skills, while activities like the Aurudu celebrations enhanced collaboration with other clubs.
- The project's positive experiences are expected to sustain member engagement and participation, crucial for the club's vitality. It established a cohesive environment, promoting long-term membership retention and attracting new members. Collaborations with other clubs created valuable networks for future projects, and the skills gained will benefit members personally and professionally.

Coffee with Alumni Mora

Date : 15.08.2023 - 08.11.2023

Chairpersons : Rtr. Pramodi Rashmika, Rtr. Githmi Perera (Phase 1)
Rtr. Geesarani Silva (Phase 2)

Secondary Avenue : Membership Development & Retention

The "Coffee with Alumni" initiative, organized by the Membership Development Avenue of the Rotaract Club of Alumni at the University of Moratuwa, aimed to orient new members and strengthen connections within the club. The project unfolded in two phases.

Phase 1: Virtual Outreach

The initial phase, conducted virtually, allowed outreach to alumni, including those overseas. This phase included avenue presentations by club directors, offering insights into the Rotaract movement and club operations. A panel discussion with past presidents Rtr. PP Kavinda Senarathna and Rtr. PP Paveen Perera provided new members with valuable perspectives on their Rotaract journeys.

Phase 2: 10th Charter Day Celebrations (November 4, 2023)

The second phase coincided with the club's 10th Charter Day Celebrations at Hustlers Cafe and Restaurant, Pannipitiya. The event featured the club's General Meeting for November, speeches from distinguished guests, and a celebratory cake cutting. This phase focused on engaging past chairpersons to offer newcomers a deeper understanding of the Rotaract movement and leadership roles within the club.

The event included a round table discussion on youth empowerment, mental health awareness, child welfare, gender equality, and environmental conservation. This engaging format allowed members, including newcomers, to share their ideas and propose new project concepts. Additionally, the official t-shirt of the Rotaract Club of Alumni of the University of Moratuwa was launched and distributed, marking a new chapter for the club.

Supervised by Rtr. Sathira Liyanapathirana, "Coffee with Alumni" successfully provided a platform for new members to connect, learn, and engage with the club's broader community, fostering a sense of belonging and active participation.

Impact of the project:

- The project facilitated valuable connections among members and alumni, and increased participation through effective communication, while round-table discussions on critical issues enhanced understanding and generated actionable insights.
- The project laid the foundation for long-term community impact and professional development, enhancing members' skills and preparing them for future leadership roles and community contributions. .

JOINT PROJECTS

Compagnia

Date : 2023.07.15 - 2024.05.30

Chairpersons : Rtr.Lakshani Pathirage

Secondary Avenue : N/A

The Compagnia Project, organized by the Rotaract Clubs of Alumni of the University of Moratuwa, University of Moratuwa, Matale, University Alumni, and Uva Wellassa University - Badulla, aimed to foster new friendships and serve the community through three engaging phases.

Phase 1: Matale, Sri Lanka (July 22, 2023)

This phase involved cultural immersion and community service in Matale. Participants conducted a dog feeding campaign, providing food and medicine to stray dogs with skin diseases, with support from the Rotaract Club of Matale and President Rtr. Sajee. The team explored Riverston, enjoying a night of singing, dancing, and food-sharing, which helped forge new friendships. The second day featured bonding and leadership sessions with district leaders, including DRR Rtr. PP Sathma Jayasinghe, followed by visits to scenic spots like Sembuwatta.

Phase 2: Wattala to Negombo, Sri Lanka (January 5, 2024)

Held along the beaches of Wattala to Negombo, this phase focused on fun, bonding, and community service. Staying at Olivia Bungalow, participants engaged in leadership development sessions, pool activities, and beach games. The evening was spent enjoying the sunset, sharing food, and playing games like "Mafia." The next morning included a beach and underwater cleanup, visits to a local kovil and the Basilica of Our Lady of Lanka church, and a happy return home.

Phase 3: Virtual Night (May 30, 2024)

The final phase was an online session where participants shared their experiences from the project. The virtual night featured late-night discussions, online games, and casual chats, providing a meaningful conclusion to the project.

Overall, the Compagnia Project highlighted the power of unity, friendship, and community service, leaving a positive impact on participants and the communities they served.

Impact of the project:

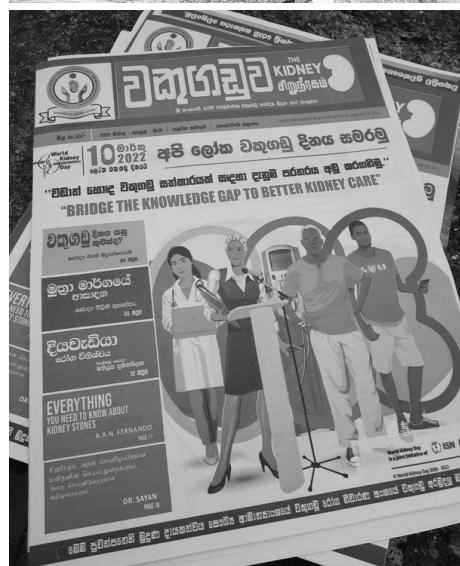

- The project strengthened friendships and created new connections among Rotaractors through shared experiences and community service activities, while also enhancing leadership, teamwork, and interpersonal skills.
- The relationships and skills developed during the project are expected to endure, fostering ongoing collaboration and community service efforts, while promoting environmental stewardship and inspiring future joint initiatives among Rotaract clubs.

COMMUNITY SERVICE

PROJECT OVERVIEW

CLUB PROJECTS

Kindred Kidneys

Date : 2023.08.20 - 2024.05.31

Chairpersons : Rtr. Madhushan Sasanka , Rtr. Manula Tennakoon

Secondary Avenue : N/A

Kindred Kidneys is a community service project by the Rotaract Club of Alumni of the University of Moratuwa, initiated in 2019 to support Chronic Kidney Disease (CKD) patients in Sri Lanka. The initiative aligns with Sustainable Development Goals for Good Health, Well-being, and Clean Water and Sanitation, aiming to reduce premature mortality from non-communicable diseases through prevention and treatment. The project also addresses Rotary's focus areas of Disease Prevention and Treatment, Water, Sanitation and Hygiene, and Economic and Community Development.

To raise public awareness, the project maintains an updated website providing information on its activities and encouraging community involvement. The year 2023-24 marks its fifth consecutive year, featuring several key initiatives:

1. Kindred Kidneys Scholarship Program (Kindred Kidneys Shishyadara):

- Supported education for students from CKD-affected families.
- Provided LKR 5000 per month to 4 students from June 2023 to May 2024.
- Total grant of LKR 240,000 supported by 7 sponsors.
- Recipients were selected based on financial instability and family struggle with CKD.

2. RO Plant Initiative:

- Aimed to provide clean water and reduce CKD prevalence.
- Construction of a Reverse Osmosis (RO) plant at Roshan Mahanama Primary School, Veheratanna, Padaviya Mahasenpura.
- Site visit conducted in February 2024.
- Fundraising in progress; completion deferred to 2024-25 due to financial constraints.

3. Medical Camp:

- Organized health check-ups and medical services in Padaviya Mahasenpura with support from the MOH Office, Padaviya.
- Focused on immediate health support and CKD awareness.
- Kindred Kidneys Donation Phase:
 - Provided 10 dialysis kits and cyclosporine tablets worth LKR 85,000.
 - Supported the Samastha Lanka Kidney Patients' Association (SLKPA) in fundraising efforts, including organizing a musical show.

Additionally, fundraising and public awareness initiatives included online campaigns, a Kidney Newspaper Sale, and a musical event "Suwasara Gee Dahana" to support CKD patients.

Impact of the project:

- Scholarships provided crucial educational support to students from financially unstable families.
- Dialysis treatments for CKD patients were expedited, reducing suffering and raising awareness on kidney disease prevention.

SDGs and Rotary focus areas covered:

Seaside Savior

Date : 2023 .09.17 -2024 .01.25

Chairpersons : Rtr. Samitha Mahesh Wijenayake , Rtr. Hasara Sudharani Abeygunawardana

Secondary Avenue : Environmental Service

The "Seaside Saviors" initiative, organized by the Rotaract Club of Alumni of the University of Moratuwa, aimed to restore Panadura Beach and promote environmental sustainability. Held on November 18, 2023, the project was divided into two phases: a comprehensive beach cleaning operation and the installation of six garbage bins. The event included an educational session by the Plastic Cycle Team to raise awareness about waste management and coastal ecosystem preservation. With support from the Leo Club of University of Moratuwa and sponsorship from Synopsis, the project aimed to make a significant impact on the community.

Phase 1: Beach Cleaning Operation

- Objective: Clean up Panadura Beach by removing litter, debris, and waste materials.
- Execution: Involved meticulous planning and dedicated volunteers from the Rotaract Club.
- Impact: Cleaned 1.5 kilometers of the coastal area.
- Educational Session: Led by Mr. Haritha from the Plastic Cycle team, focused on marine pollution and proper garbage sorting and recycling.

Phase 2: Installation of Garbage Bins

- Objective: Promote proper waste disposal and maintain beach cleanliness.
- Execution: Installed six strategically positioned garbage bins:
 - Four near the main road by the beach.
 - One near the police station.
 - One in Panadura town.
- Educational Component: Bins featured statements on proper plastic disposal and logos for public engagement.

Collaboration and Sponsorship

- Support: Collaborative effort with the Leo Club of the University of Moratuwa.
- Sponsorship: Generously supported by Synopsis.

The project enhanced community engagement, environmental awareness, and responsible waste management. By creating a cleaner, safer beach environment and fostering a sense of environmental stewardship, "Seaside Saviors" set a precedent for sustainable coastal management initiatives in the region

Impact of the project:

- The beach cleaning operation improved the cleanliness and aesthetics of Panadura Beach, raised awareness about responsible waste management, and fostered community engagement and partnerships with local stakeholders.
- Sustained cleanliness and environmental stewardship will preserve the beach, reduce marine pollution, boost tourism and economic opportunities, and encourage future collaborations for sustainable initiatives.

SDGs and Rotary focus areas covered:

Bio Harmony

Date : 2023 .08.21 - 2024.08.25

Chairpersons : Rtr. L.S.K Wijethunge , Rtr .D.M.K. Methsara Dissanayake ,Rtr. B.H.M.M.P.M
: Gunathilake ,Rtr.Ilham,Rtr. Samitha Mahesh Wijenayake

Secondary Avenue : Environmental Service

"Bio Harmony" embodies Rotaract Club of Alumni of University of Moratuwa's commitment to environmental conservation and education, structured through three impactful phases that unfold a narrative of exploration, learning, and action.

Serpente

The journey begins with "Serpente," a captivating exploration into the world of snakes aimed at dispelling myths and promoting conservation awareness. Commencing with meticulous preparations, the project kicks off with an engaging workshop held on September 10, 2023. Partnering with the Siri Wangeesa Dhamma School, we orchestrated an immersive experience featuring live snake demonstrations and informative talks by seasoned experts. Moreover, a complementary blog series enriches the discourse, delving deeper into the intricacies of snake conservation and safety measures, and fostering a broader understanding among participants and online audiences alike.

Wana Addara

Culminating in a peak of action, "Wana Addara" represents the club's commitment to tangible environmental impact and community engagement. The project ended at the Rajawaka Rainforest Protectors Volunteer Base Camp, where participants united in a collective endeavor to plant 200 "Mee" and "Kumbuk" trees. Our members planted them with a hard climb with the guidance of the camp team. The inaugural tree planting and awareness session on March 30th served as a testament to the club's dedication, not only to reforestation but also to fostering a culture of environmental responsibility. Through hands-on activities and educational initiatives, "Wana Addara" sets the stage for a sustainable legacy, where every tree planted symbolizes a commitment to a greener, more harmonious future.

SDGs and Rotary focus areas covered:

ENVIRONMENT

Green Future Inquiry

Transitioning seamlessly into the next phase, the project embarked on the "Green Future Inquiry Competition," a platform designed to nurture environmental stewardship and innovation. Participants delved into the ecological intricacies of, "The role of Artificial wetlands that have been created in Sri Lanka" and "The impact of tourism in Coral reef demolition at Hikkaduwa wetlands," which are the main topics of the competition, crafting insightful presentations that reflected their passion for preserving these vital ecosystems. Through meticulous research and creative exploration, the competition not only raises awareness but also ignites a spirit of collective action, empowering individuals to become champions of environmental conservation. After careful evaluation, we announced the winners and hope to hand over to them the cash prize along with certificates.

In essence, "Bio Harmony" transcends mere projects; it embodies a collective vision for a world where humanity and nature coexist in perfect harmony, guided by knowledge, passion, and a shared commitment to environmental stewardship.

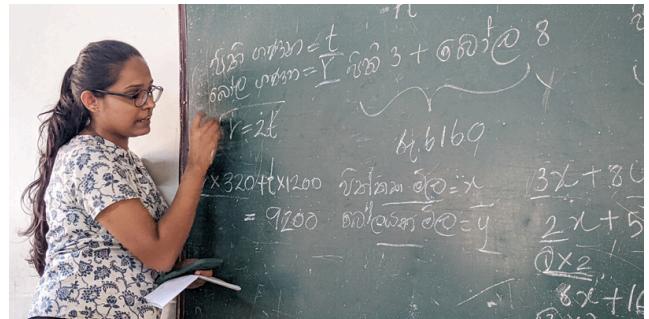

Nena Sayura

Date : 2023.08.01 -2024.05.01

Chairpersons : Rtr.Nisal Karunathilake , Rtr. Harini Chanma Rajapaksha

Secondary Avenue : :N/A

"Nana Sayura," part of the "Nana Pahana" initiative organized by the Rotaract Alumni Mora, aims to enhance the academic performance of O/L students in Mathematics, Science, and English. Conducted by dedicated university students from the University of Moratuwa, the sessions were initially held at Lunawa Primary School and later at St. Matthew's College, Dematagoda, every Saturday. The project provided targeted instruction in key subjects, fostering an engaging learning environment to inspire a love for learning. As a result, students showed significant improvement in their academic performance and engagement. Additional sub-projects included "Nana Pahana," a weekend math seminar series; "Inspire Their Future," a motivational program at Prince of Wales College, Moratuwa, featuring guest speaker Mandapa Panditha; and "Inventors for Tomorrow," a robotics workshop at St. Matthew's College in collaboration with the Robotic Gen Team. Led by Nisal Karunathilaka and Harini Rajapaksha, "Nana Sayura" exemplifies the power of community involvement and volunteerism in fostering educational development.

Impact of the project:

- The Nana Sayura project enhances students' academic performance, engagement, confidence, and fosters a supportive learning community through personalized support and active participation.
- The project promotes sustained academic success, skill development, and empowerment, leading to social mobility and community development while cultivating a culture of volunteerism and civic engagement.

SDGs and Rotary focus areas covered:

Share The Joy

Date : 2023.11.01 - 2024.05.19

Chairpersons : Rtr. Madhushan Sasanka , Rtr. Manula Tennakoon

Secondary Avenue : N/A

"Share the Joy" is a community service project initiated by the Rotaract Club to celebrate the birthdays of our club members in a meaningful way. Instead of traditional birthday celebrations, Rotaractors spend their special day bringing happiness to those in need. The project focuses on visiting children's homes, schools, elder homes, and other community centers to share joy and support.

The project was carried out in three phases:

- Vajira Sri Children's Development Center: Rotaractors spent time with the children, donated essential sanitary items, and gave small gifts.
- Noguchi Children's Home, Papiliyana: The Rotaractors celebrated Christmas with the children by providing food, singing, dancing, and sharing gifts.
- Aloka Elders Home, Panadura: The Rotaractors spent an evening with the elders, enjoying dancing, singing, sharing food, and tea time, and made donations to support them.

Overall, "Share the Joy" aimed to spread happiness, foster a sense of community, and make birthdays more meaningful by turning them into opportunities for giving back. The project received positive feedback, increased engagement within Rotaract Club, and built strong relationships with various community centers.

Impact of the project:

- Immediate joy and support were provided to children and elders, fostering meaningful celebrations and increasing awareness about community needs through social media efforts, strengthening community engagement with the club.
- Established lasting relationships and a culture of service within the club, enhancing its reputation and leaving a positive social impact on the beneficiaries and the community, influencing future activities and attracting new members.

Suwa Arana

Date : 2024.01.02 - 2024.04.06

Chairpersons : Rtr. Heshani Wickamaarachchi, Rtr. Chamika Ananda

Secondary Avenue : N/A

The Suwa Arana initiative, organized by Rotaract Club of Alumni of University of Moratuwa collaboratively with Interact Club of Visakha Vidyalaya, is a comprehensive project aimed at enhancing community health and well-being. This transformative initiative includes various sub-projects designed to address both physical and mental health needs.

Key efforts include the "Manoma" Mental Well-being Session, which provides children with psychological support and resilience-building tools; a Blood Donation Campaign at Sri Wijayarama Viharaya, Piliyandala premises in collaboration with Siri Wangeesa Dhamma School that encourages community members to contribute to local blood supplies; and a Medical Camp along with essential items distribution to pregnant mothers in Padaviya Mahasenpura focused on offering essential healthcare services and support to villagers, especially pregnant mothers. Through these targeted activities, Suwa Arana significantly improves the well-being of participants, fostering a culture of health awareness and support within the communities it serves.

Impact of the project:

- Immediate health benefits were provided through mental well-being sessions, medical clinics, and blood donation campaigns, fostering community engagement and collaboration while raising awareness about crucial health issues.
- Sustained health awareness and community resilience are fostered through ongoing mental well-being support, continuous health education, and the establishment of a strong network committed to health initiatives, promoting holistic health promotion and long-term improvement in community health standards.

Dream Cricket

Date : 2024.05.07 - 2024.05.24

Chairpersons : Rtr.Lakshani Pathirage , Rtr.Gihara Wickramathunga

Secondary Avenue : N/A

Dream Cricket, a collaborative effort organized by Rotaract clubs of Alumni of University of Moratuwa, American National College, Colombo West, and University of Moratuwa, in collaboration with the Rotary Club of Colombo West as part of their Rotary Family Project, aims to empower differently abled children by fostering their participation in physical activities. Specifically, the initiative focuses on utilizing cricket as a means to enhance the cognitive abilities of these children.

The event took place on May 24, 2024, from 9 am to 12 pm at The Turf, Colombo, and welcomed over 60 children from two different Children's Centers catering to special needs in the Colombo area. Additionally, the participation of over 50 parents/guardians and staff members contributed to the success of the event.

Rotaractors carefully organized and facilitated various activities tailored to engage the children in exercises that promote muscle and motor function development, as well as hand-eye coordination. Simple tasks such as throwing, catching, and aiming the ball were incorporated into the activities to achieve these objectives. Throughout the day, utmost effort was dedicated to ensuring the children's enjoyment and well-being.

Refreshments were provided for all attendees, and the event concluded with an awards ceremony where each child received a medal. Before departing for their respective homes, the children were also provided with lunch parcels, ensuring a memorable and fulfilling experience for all involved.

Impact of the project:

- The project immediately engages special needs children in cricket-related activities, fostering skill development, raising awareness about their needs, and promoting emotional well-being through a supportive environment.
- It establishes sustainable engagement and community integration, equipping children with lifelong skills and advocating for their empowerment and rights, thereby fostering acceptance and inclusion in society.

SDGs and Rotary focus areas covered:

Manu Dam

Date : 2023.11.02 - 2024.04.20
 Chairpersons : Rtr.Lakshani Pathirage
 Secondary Avenue : N/A

"Manudam" is a community service project initiated by RAC Alumni Mora and RAC University Alumni, consisting of two phases aimed at spreading purpose and compassion while making a positive impact on the lives of individuals in need. Phase 1, held on November 13, 2023, involved temple renovations at the Maligawatte Maithri Viharaya, preserving its cultural heritage through cleaning, maintenance, and beautification efforts, thereby fostering community engagement and unity. Additionally, at the Lak Hiru Sevana Housing Complex, a motivational session was conducted for selected students in coordination with the housing scheme keeper. The students were provided with food and small gifts, inspiring them to excel academically and create a better future for themselves and their families.

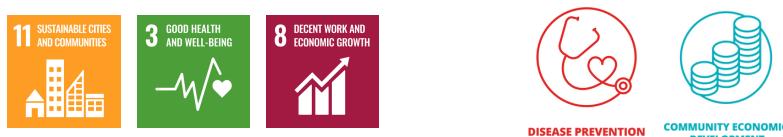

Building upon this success, Phase 2 took place on April 20, 2024, and focused on a donation drive for the Leprosy Hospital, Ministry of Health, Sri Lanka. The project team collected essential supplies to support patients and staff and arranged a lunch for all the patients at the hospital, ultimately strengthening community bonds through collective action for a common cause. "Manudam" exemplifies the spirit of service and compassion, leaving a lasting impact on communities and reaffirming the commitment to spreading goodness and making a meaningful difference in the world.

Impact of the project:

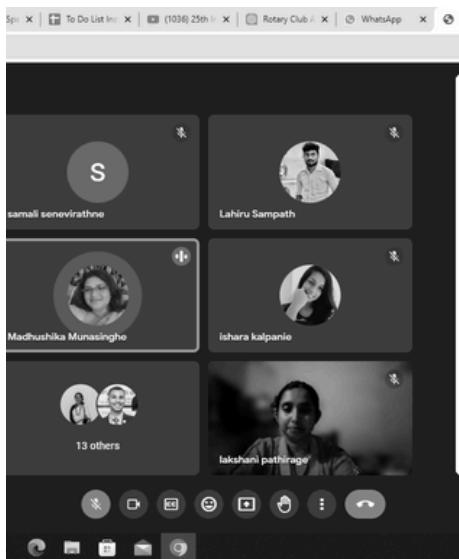

- Immediate improvement in temple conditions and support provided to the Leprosy Hospital, fostering community engagement, unity, awareness about service, and inspiring academic excellence among students.
- Sustained preservation of cultural heritage, continued support for healthcare, strengthened community bonds, and cultivation of empathy and altruism, leading to long-term positive impacts on community well-being and student development.

Cross Boundaries

Date : 2023.10.15 - 2024.03.13

Chairpersons : Rtr. Samali Senevirathna , Rtr.Nethma Mettananda , Rtr. Lahiru Sampath

Secondary Avenue : N/A

"Cross Boundaries" is an innovative initiative within the International Service avenue of Rotaract Club of Alumni of University of Moratuwa, aiming to promote international cooperation, cultural exchange, and mutual understanding through collaborative sub-projects with Rotaract Clubs from India, Pakistan, and Africa.

Sub-Projects Overview:

1. When Cultures Meet:

- Online sessions fostering cultural presentations, language lessons, and activities to bridge Sri Lankan and Indian communities.

2. Cricket Cops IND VS SL:

- Virtual viewing of India vs. Sri Lanka cricket match, facilitating discussions and sharing cricket-related experiences.

3. Heartbeat:

- Online awareness session on Congenital Heart Defects led by Dr. Srinidhiy, followed by Q&A and personal stories sharing.

4. Tricky Friday:

- Fun-filled online game night hosted by Rotaract Club of Madras Central (India) for interaction and team bonding.

5. Walk Away From War:

- Peace Walk involving multiple Rotaract Clubs from various regions, emphasizing international unity and cultural understanding.

6. Etiquette:

- Five-day international event focusing on personal development training sessions led by District Trainers, aiming to enhance personal skills and professional etiquette.

The "Cross Boundaries" project effectively facilitated cultural exchange, personal growth, and social awareness, fostering deeper understanding, lasting friendships, and positive contributions to communities across borders.

Impact of the project:

- Interactive cultural sessions, cricket bonding, health awareness, social games, and peace walks fostered enriched cultural understanding, camaraderie, health education, and etiquette skills, promoting unity and empathy among participants.
- These initiatives laid the groundwork for sustained intercultural dialogue, cross-border relationships through sports, ongoing health advocacy, future collaborations, peace advocacy, and professional growth within the Rotaract network, fostering a resilient, inclusive, and compassionate international community.

Plant Together

Date : 2023.09.12 - 2024.03.17
 Chairpersons : Rtr.Lizda Ireshi ,Rtr. Nisal Rathnamalala
 Secondary Avenue : :N/A

Plant Together is a transformative initiative led by the Rotaract Club of Alumni of the University of Moratuwa (RID 3220), in collaboration with Rotaract Clubs of SDNB Vaishnav College, AC Tech, and Ethiraj College for Women, India (RID 3232). The project focuses on educating and empowering communities about environmental conservation, emphasizing forests, mangroves, and medicinal plants.

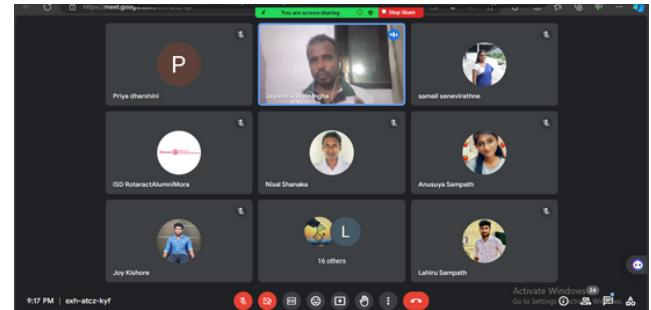

In its first phase, Plant Together launched a virtual flyer series to raise awareness about valuable plants common to Sri Lanka and India. This was followed by two online sessions with experts. On January 19th, 2024, Mr. Jayantha Wijesingha, a Sustainability Consultant and Earthwatch Climate Champion, discussed the critical importance of forest preservation for ecological balance and sustainable living. The second session on February 18th featured Mr. Jeyapalu Jathushan, an Environmental Conservationist and Research Assistant, who highlighted the vital role of mangroves in protecting coastal ecosystems and enhancing climate resilience.

The second phase, titled 'Maruthuvam,' focused on the benefits of medicinal plants. In collaboration with the Rotaract Club of Ethiraj College for Women, this phase educated participants on the therapeutic properties of medicinal plants, promoting natural remedies and a healthier lifestyle.

SDGs and Rotary focus areas covered:

ENVIRONMENT

Plant Together aims to cultivate environmental stewardship and inspire sustainable management of natural resources through informative sessions and collaborative efforts. By raising awareness and offering practical solutions, the initiative seeks to create a greener, healthier, and more resilient future for generations to come.

Impact of the project:

- Plant Together has increased awareness and knowledge about environmental issues, engaged local communities in conservation activities, strengthened partnerships, and provided immediate environmental benefits through tree planting and habitat restoration.
- The initiative aims for lasting behavioral change towards sustainable environmental practices, empowered communities capable of independent conservation efforts through capacity building, and improved health and well-being through the promotion of medicinal plants, fostering a more resilient and environmentally conscious society.

United We Stand

Date : 2023.09.12 - 2024.03.17
 Rtr. Danushi Suriyarachchi, Rtr. Nethma Mettananda , Rtr. Madhushika Munasinghe ,
 Chairpersons : Rtr.Lahiru SampathRtr. Sachin Abeysinghe , Rtr. Manulji Gunarathne , , Rtr. Nethsara Hettiarachchi
 Secondary Avenue : :N/A

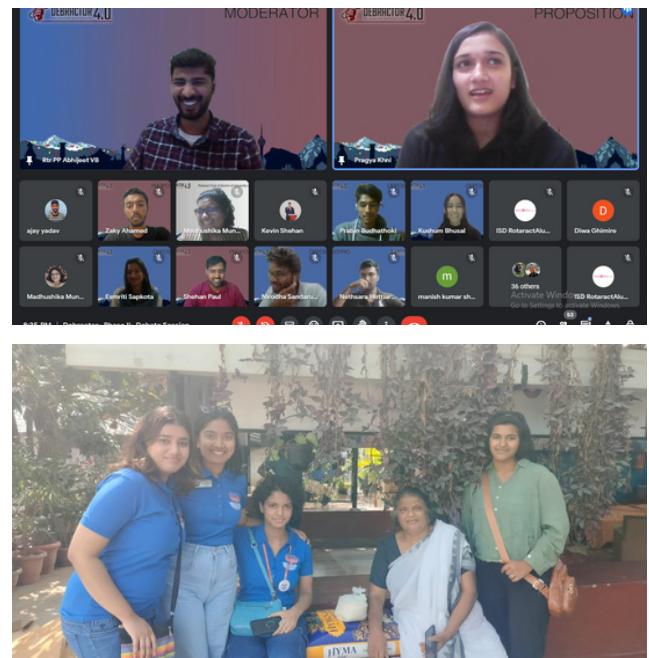

United We Stand is an international Service initiative that was established in the RI Year 2018-19 with the aim to look out for new fellowship opportunities with Global Rotaract Clubs. With this project, Rotaract Club of Alumni of University of Moratuwa has acquired many bonds which are still maintained to this day. The goal of the project is achieved by branching out and organizing various projects over the years. The project United We Stand was brought back on stage for the year 2022-23 with a series of projects organized with the collaboration of many International Clubs. The project comprised 11 sub-projects namely; Twin Club Agreement, Limitless Voyage - Bulletin, We Weave, Cook to Connect, Together We Stand which catered to multiple service aspects.

Cook to connect 2.0

Phase 1 was an instagram story challenge where both club members from Rotaract club of Alumni of University of Moratuwa and Rotaract Club of Mount Carmel college can share their comfort food .In phase 2 participants were provided with authentic recipes from each country and were encouraged to try them. They also documented their culinary experiences and shared the cooking process in a joint meeting. Phase 3 was a physical donation organized by two clubs in order to distribute food/dry ingredients to needy people around the area. It was held by RAC AUOM around the hewagama town area and by RAC mount carmel college on Angel's Orphanage, Bengaluru.

United Voice Festival

The goal of the United Voice Festival project was to encourage the South Asian Rotaract Club community to share experiences with various languages. Rotaract club of S. A. College of Arts and Science India , Rotaract club of Vizag Diamonds India , Rotaract club of Chittagong Alliance India , Rotaract club of Narayani Mid Town India ,Rotaract club of Hyderabad Inspire India and Rotaract club of Bangalore India were taken part of this project initiative along with our club. Each club has introduced their mother tongue specific to their country and region as an interactive session to the audience.

Mythical Mysteries

Project was planned as a twinning day with cultural exchange celebrating the world day of myths and legends. Project was carried out with the collaboration of the Rotaract Club of Mount Carmel College India. Project conducted on the 15th of October 2023 from 7.00 PM onwards via Google Meet. Each participant presented their favorite myth or legend that related to their country in two minutes. Additionally, a quiz session was held after presenting the mythical stories regarding the world famous myths to make the session more interactive and engaging.

Together We stand

Throughout the year, Rotaract Club of Alumni of University of Moratuwa (RAC AUOM) actively participated in Letter Head Exchange (LHE) initiatives with various Rotaract clubs engaged in Rotaract service worldwide. LHE serves as a catalyst for fostering friendships and building bridges between clubs across international borders. RAC AUOM successfully conducted over 15 LHEs, utilizing both physical and online mediums. These exchanges exemplify our commitment to global fellowship and collaboration, further strengthening the bonds of goodwill within the Rotaract community.

Rotaractors' Got Talent

First ever talent show project organized with the collaboration of Rotaract Club of Kathmandu. The talent show was opened only for the members of the two clubs and different creative exhibits were performed under the dancing, singing, stand up, poetry, speeches and painting categories. Project was held on 15th of March 2024 from 7.30 PM onwards. Totally 19 exhibit items were presented and based on the judges opinion 1st runner up and winner were chosen. Addition to that most popular act and was selected.

Maithri

Project Maitri conducted with collaboration of Rotaract Club of Kathmandu addresses the critical needs of visually impaired children, particularly in accessing sexual and reproductive health information. A 2-day workshop at Shree Gyan Chakshu School covered personal hygiene, menstruation, sexual orientation, child rights, and gender-based violence, culminating in insightful student role plays. A subsequent 1-day session engaged teachers on creating a menstrual-friendly environment and tackling sexual harassment cases. Extension to Adarsha Secondary School and Birat Deaf School broadened the reach, tailoring content for various disabilities. Hygiene materials, a weighing machine, and menstruation braille guides were provided, benefitting 30 visually impaired students and 10 teachers initially.

Joint general Meetings

PAs per the Twin Club Agreement, Rotaract Club of Alumni of University of Moratuwa (RAC AUOM) fulfilled the requirement of hosting two joint general meetings with each of our twin clubs. On September 21, 2023, and August 18, 2023, we convened with Rotaract Club Kathmandu, while on September 26, 2023, and September 5, 2023, we engaged with Mount Carmel College. These meetings fostered fellowship, facilitated collaborative planning for the year, and cultivated lasting friendships among members of all three clubs. Such interactions exemplify our commitment to international goodwill and the strengthening of inter-club relations within the Rotaract family.

SDGs and Rotary focus areas covered:

Bond Beyond

Project was initiated with the collaboration of Rotaract Club of Kathmandu. Together, we reached out to the Srijansil Children Welfare Home in Kathmandu on 23rd September through our International Service Avenue. This joint effort has made a significant impact, providing essential supplies and spreading love to children in need. Here it has provided essential educational stationery materials and sweet treats to the children in Srijanshil Children Welfare Home in Kathmandu.

Debractor 4.0

Project was held with collaboration of Rotaract Club of Kathmandu. Debractor 4.0 phase 1 comprised of comprehensive training led by Ms Alfa Maiya Shakya, celebrated for her excellence in public speaking and writing, focusing on the art of effective communication, and by Mr Gavin Senaratne, a renowned champion debater, who provided invaluable insights into the art of argumentation and rebuttal. Phase 2 was held as a debate session where participants engaged in a thought-provoking online debate moderated by Rtr. Abhijeet Venkatraman Balaji. The debate, on the motion "Artificial Intelligence is a Threat to Creativity," facilitated a rich exchange of perspectives and fostered critical discourse on the evolving relationship between technology and creativity.

We weave

Phase one of this project was a flyer-sharing series to educate about fabric-making techniques between Rotaract Club of Alumni of University of Moratuwa and Rotaract Club of Marathahali clubs and Phase two consisted of a physical exchange of fabric materials highlighting the unique techniques between the two clubs. Similarities of techniques between the two countries were discussed after the exchange.

Bulletin - Limitless Voyage

Rotaract Club of Alumni of University of Moratuwa featured in twin ship Bulletin "Limitless Voyage," for the RI year 2023-2024 along with Rotaract Club of Mount Carmel College, RID 3191. This acknowledgment signifies significant milestones in our club's twin club journey, underscoring our dedication to service and community engagement. This recognition inspired us to conduct a year filled with impactful International service initiatives, vibrant fellowship, and enduring connections.

PROJECT OVERVIEW

CLUB PROJECTS

DIYER 3.0

Date : 2023.08.24 - 2024.04.04

Chairpersons : Rtr. Nimesh Kavinda , Rtr.Diluka Vidanage

Secondary Avenue : N/A

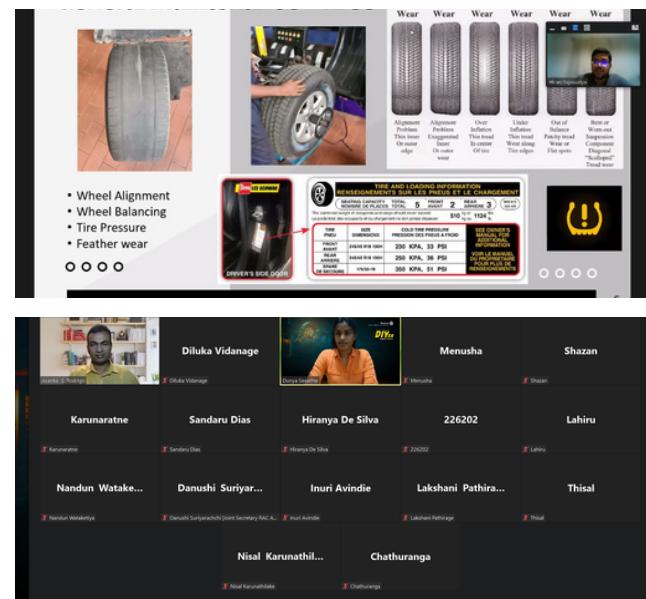

IDIYer, an innovative initiative by the Rotaract Club of Alumni of the University of Moratuwa, emphasizes the concept of Do It Yourself (DIY). This project aims to highlight the importance of individual skill development, transcending the typical skill development program by raising awareness of basic technological skills and providing valuable knowledge for entrepreneurial ventures. The target audience includes the general public interested in acquiring technological skills for everyday fixes.

The project is divided into two phases. Phase I focused on giving individuals a deep understanding of vehicle maintenance and insights into vehicle technology to aid in smart vehicle selection. This phase took place as an online session on September 23, 2023, from 7:00 p.m. onwards, conducted by Mr. Hiran Rajasuriya, a mechanical engineering graduate from the University of Moratuwa, and attracted approximately 100 participants. The session recordings were uploaded to the Rotaract Alumni Mora YouTube channel for further reference.

This session empowered participants with the knowledge and skills to excel in vehicle maintenance and make informed choices when selecting a vehicle. Whether a beginner or someone looking to enhance their skills in vehicle maintenance, this session provided the necessary knowledge of automotive mechanics, instilling confidence in managing their vehicle's health and making good vehicle choices.

The speaker equipped the participants to master the art of troubleshooting and embark on a journey to become more confident and self-reliant vehicle owners. Participants gained invaluable insights into selecting the perfect vehicle to fulfill their unique needs and preferences.

SDGs and Rotary focus areas covered:

Phase II concentrated on energy auditing for sustainable energy management. This session was led by Dr. Asanka S. Rodrigu from the Electrical Engineering Department of the University of Moratuwa on April 4, 2024, starting at 6:30 p.m. Its goal was to educate both domestic users and industrial professionals on utilizing energy auditing techniques to reduce their energy consumption.

This session delivered valuable insights regarding efficient energy management using various techniques to reduce monthly energy consumption at either home or office which makes a notable difference in monthly electricity bill. Speaker also highlighted how the reduction in energy consumption can indirectly contribute to sustainability. The importance of being ready for an energy crisis and how to overcome such issues by generating own energy sources at home or office utilizing renewable energy sources.

Impact of the project:

- The project focuses on long-term skill development in vehicle maintenance and energy management, promoting self-reliance and technological proficiency among participants.
- It aims to foster community and economic development by spreading sustainable energy practices, promoting entrepreneurial ventures, and cultivating a cultural shift towards DIY and sustainable practices, all while building networks and enhancing education in key technological areas.

En Vogue 3.0

Date : 2023.08.02 - 2024.05.25

Chairpersons : Rtr. Kisali Thumara , Rtr. Hiruni Yelanika , Rtr. Lahiru Kasun

Secondary Avenue : N/A

En Vogue is a signature project conducted by the Professional Development Avenue of Rotaract Club of Alumni of the University of Moratuwa, aimed at enhancing the skills and knowledge of the fashion design community. The main motivation for initiating such a program is the lack of proper opportunities for individuals interested in learning and engaging in the fashion design and textile industry within the country. After the successful completion of En Vogue 1.0 and 2.0, and based on the feedback received from participants, it was identified that scaling up the program was of pivotal importance. A strategic plan was needed, as a larger community awaited the opportunity to engage with our program.

As a result, a new sustainable collaboration was established with MoraSpirit 360. The program was elevated to a new level with many new features, and its execution was divided into three phases. Each phase comprises various sub-projects, including virtual sessions, physical workshops, and informative flyers. These initiatives are designed to improve the community's knowledge and help them discover various opportunities in the fashion design field, supported by experts in each subject area.

Phase 1 of En Vogue 3.0 included five webinars and a beeralu workshop to provide hands-on experience for the community while delivering subject knowledge through webinars. The beeralu workshop was held on October 15th and 22nd, 2023, at the National Craft Council in Baththaramulla. The five webinars, which were conducted in parallel with the beeralu workshop, provided valuable information to the audience on the following subject areas:

1. Fundamentals of Fashion Design and Their Job Roles
2. Up-cycling in Fashion and Textile Design
3. Slow Fashion in Fashion and Textile Design
4. Higher Study Opportunities in Fashion and Textile Design
5. Solving Problems Through Innovation and Creativity

SDGs and Rotary focus areas covered:

Phase 2 comprised a modeling workshop to enhance both the theoretical knowledge and practical skills of youth keen to enter the fashion modeling industry. The workshop was held on March 9th, 2024, at the university premises, with the participation of 25 young individuals.

As the third and final phase, a promotional campaign was conducted over social media platforms. This campaign featured beautiful fashion collections from talented individuals who run their own personal brands as small businesses, showcasing the capabilities of local talent that often remains hidden. After delivering valuable information, showcasing new pathways in the industry, and providing hands-on experience through physical workshops, the project's main aim would not be achieved without solid support for these passionate individuals trying to succeed in the industry. This initiative supports them in scaling up their small businesses into larger product brands.

Impact of the project:

- In the short term, the project focuses on skill development and cultural preservation while fostering networking and collaboration to increase awareness.
- In the long term, it aims to uplift traditional crafts, promote economic empowerment through home-based income opportunities, accelerate career growth, and support the creation of sustainable products.

Limitless Horizons 3.0

Date : 2023.12.14 - 2024.05.12
 Chairpersons : Rtr. Nethsara Hettiarachchi
 Secondary Avenue : N/A

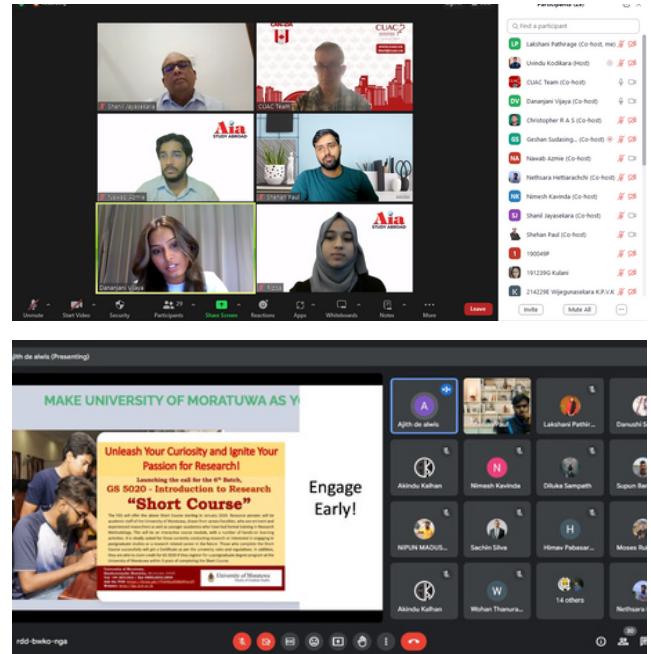

"Limitless Horizons" is an exclusive and informative discussion designed to assist undergraduate and graduate students in Sri Lanka who are considering pursuing higher education. The sessions of this program aims to provide valuable insights and firsthand experiences from accomplished individuals worldwide who were once in a similar position. Many students in Sri Lanka aspire to pursue higher education, such as Master's or PhD programs, abroad. However, due to a lack of information in this field, some students abandon their dreams. Additionally, some students believe it is too late to pursue further education after already choosing a career path, while others struggle to balance their work commitments with postgraduate studies.

To address these challenges, the program is held under three phases delivering valuable information and advice covering a wide range of subject areas to benefit every individual who seeks to study abroad. The aim is to help participants align their academic and career paths accordingly through this series of discussions. Furthermore, all online sessions included a Q&A segment, providing an opportunity for attendees to interact with experienced resource persons who can offer valuable advice and insights.

Phase 1 of the program focused on bringing individuals who are currently working in academia after completing their PhDs at esteemed foreign universities. These individuals shared their journeys and provided insights into higher education and career pathways for the audience.

The summary of the profiles of the speakers for the session is as follows:

- Prof. Ajith de Alwis - Senior Professor of Chemical and Process Engineering at the University of Moratuwa. He is the Dean of the Faculty of Graduate Studies at the University of Moratuwa and Chief Innovation Officer at the National Innovation Agency.
- Dr. V. Logeeshan - Senior Lecturer at the Department of Electrical Engineering, University of Moratuwa.

This online session covered the general information a person requires when seeking higher education opportunities, understanding the differences in higher education cultures and standards in different countries and the difficulties that students may face when pursuing a postgraduate degree abroad for all kinds of degree programs.

APhase 2 of the program delved deeper into the scope of Phase 1 by delivering customized content to a selected audience interested in pursuing higher studies in specific engineering disciplines. PhD candidates and recent PhD graduates from various engineering fields accepted our invitation to conduct separate webinars. These webinars covered their respective disciplines and offered tailored insights for individuals studying those particular fields, as the nature of securing opportunities can vary based on the engineering discipline.

The summary of the profiles of the speakers for the session is as follows:

- Ishan Anjana - M.Sc. student in Computational Mechanics of Materials and Structures University of Stuttgart, Germany. B.Sc. in Mechanical Engineering from the University of Moratuwa.
- Amila Premakumara - PhD Candidate at Department of Infrastructure Engineering, University of Melbourne, Australia. B.Sc. in Civil Engineering from the University of Moratuwa.
- Chamode Wijayasekara - PhD Candidate at University of British Columbia, Canada. B.Sc. in Chemical and Processing Engineering from the University of Moratuwa.
- Dr Imalka Jayawardena - Marcus Lee Lecturer in Energy Materials at the Advanced Technology Institute (ATI). Completed his PhD at University of Surrey. B.Sc. in Materials Engineering from the University of Moratuwa.
- Madara Polgampala - Completed Masters in Electrical and Computer Engineering from Sungkyunkwan University, South Korea. B.Sc. in Electrical Engineering from the University of Moratuwa,
- Haritha Jayasinghe - PhD Candidate at the Department of Engineering, University of Cambridge. B.Sc. in Computer Science and Engineering from the University of Moratuwa
- Deepana Ishtaweera - Director of RoboticGen (Pvt) Ltd, and MSc. student in Robotic Systems and Control at ETH Zurich (Reading). B.Sc. in Electronic and Telecommunication Engineering from the University of Moratuwa.
- Ishara Paranawithana - PhD Candidate at Monash University, Australia. B.Sc. in Electronic and Telecommunication Engineering from the University of Moratuwa.

Impact of the project:

- In the short term, the project provides immediate support and guidance to participants, fostering personal growth through exposure to diverse perspectives and cultural exchange.
- In the long term, it enhances career prospects for participants completing overseas studies and strengthens the alumni network, enabling successful participants to provide mentorship and support to future club members.

SDGs and Rotary focus areas covered:

The delivered presentations for the participants tailored for their respective discipline were comprised with CV writing, cover letter writing, networking with the supervisor, selecting the write research area within the discipline, finding a job opportunity either in academia or industry after the completion of the degree, importance of pursuing higher education to accelerate in the career, how to face an interview to secure a scholarship and how to develop themselves while pursuing higher education to meet the demand after the completion of studies.

As an improvement to previous editions of the program, a new element was introduced under Phase 3 by inviting a leading international education consultancy institute in Sri Lanka to conduct a webinar. This webinar aimed to provide participants with detailed insights into the VISA application process, available scholarship opportunities, and how to work with a global educational consultant to secure a higher education opportunity at their dream university with the best possible scholarship.

The initial idea was to bring together several leading international education consultancy institutes in Sri Lanka to host a mini higher education fair at the University of Moratuwa premises. Unfortunately, due to unpredictable strikes at the university, holding the mini higher education fair physically became very difficult. As a result, the program was converted into a webinar without the scope and core values of the project. Asian International Academy partnered with Rotaract Club of Alumni of University of Moratuwa to deliver the valuable knowledge as a leading global educational consultancy firm in the country. Three speakers were presented from the organization for the webinar.

The summary of the profiles of the speakers for the session is as follows:

- Dananjani Vijaya - Manager at AIA Study Abroad
- Dani Zaretsky - Co Founder & Chief Information Office at Canada University Application Center
- Shanil Jayasekara - Managing Director at AIA Holdings and Manager at Canada University Application Center Sri Lanka Office

Speak Up 4.0

Date : 2023.08.16 - 2024.05.18
 Chairpersons : Rtr.Nimesh Kavinda , Rtr. Diluka Sampath
 Secondary Avenue : N/A

The Speak Up project aimed to provide a platform for club members to enhance their presentation and public speaking skills. It offered opportunities for members to deliver speeches or presentations on various topics during monthly meetings, both independently and in joint sessions. With an audience of around 30 to 50 participants through online and physical platforms, the project allowed up to 6 speakers to share their thoughts and ideas, ranging from 5 to 10 minutes per speech. Topics covered personal experiences in the Rotaract journey and educational subjects like leadership and sustainability.

Following a rotational system allowed members to speak on diverse topics, turning the sessions into educational opportunities for participants. Overall, the project successfully built confidence in speakers, fostering a supportive environment for expressing ideas and passions. The project team actively sought participant feedback in the monthly Speak Up sessions to drive improvements and understand individual requirements for developing public speaking skills.

Impact of the project:

- Confident speakers - Identifying potential speakers for the upcoming session due to increased project awareness.
- Create interesting awareness sessions on different topics during monthly general meetings - Identify potential project chairs and confident speakers for other projects within the club

SDGs and Rotary focus areas covered:

JOINT PROJECTS

Brand Etiquette Mastery

Date : 2024.03.18 - 2024.04.28

Chairpersons : Rtr. Lakshani Pathirage , Rtr. Abhirami Ganeshmoorthy

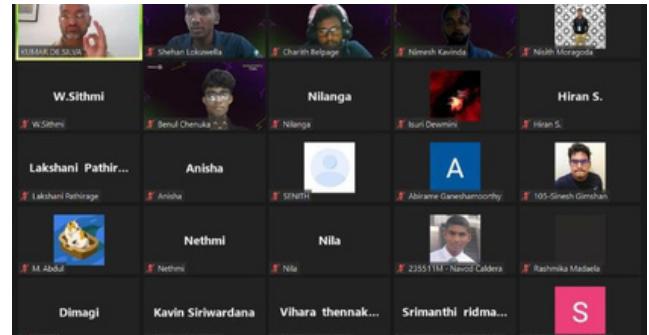

Secondary Avenue : N/A

Rotaract Clubs of Alumni of University of Moratuwa and University of Moratuwa organized "Brand Etiquette Mastery," a series of online workshops aimed at enhancing participants' communication skills, corporate etiquette, and personal branding. These workshops featured renowned experts, including Mr. Yukthi Gunasekara, a CEO communication specialist. Mr. Kumar De Silva, a corporate etiquette trainer, and Ms. Rasini Bandara, a psychologist specializing in personal branding.

The workshops covered various essential topics such as effective communication strategies, emotional intelligence, professional presentation, and personal branding techniques. Participants learned how to communicate effectively, present themselves professionally, navigate social events, and build a strong personal brand. These sessions significantly boosted participants' confidence and understanding of professional etiquette. Positive feedback from attendees highlighted the practical advice and valuable insights provided by the speakers.

Through engaging virtual sessions, the workshops were successfully conducted, with participants receiving certificates to acknowledge their commitment and participation. The success of "Brand Etiquette Mastery" has inspired Rotaract Clubs to continue offering similar initiatives to support the professional growth and development of the members and the broader community.

SDGs and Rotary focus areas covered:

Impact of the project:

- In the short term, the "Brand Etiquette Mastery" project empowered participants with practical skills and boosted their confidence in communication and corporate etiquette.
- The project's long-term impact includes enhanced career prospects, continued skill refinement, and the formation of lasting professional connections among participants, fostering a supportive community for ongoing growth and success.

PUBLIC IMAGE PROJECT OVERVIEW

The Safe Haven Dog Carnival, organized by Rotaract Club of SLIIT, aimed to celebrate the bond between humans and dogs while raising awareness and funds for animal welfare. Held on October 28, 2023, it featured engaging competitions, pet-centric activities, and charity initiatives. Funds were directed to support Embark Rescue Operation Funds, resulting in successful adoptions and community engagement. The event offered diverse offerings for both humans and dogs, including food stalls, social media challenges, and healthcare support. With over 500 participants, it achieved remarkable success, setting a new standard for purposeful gatherings.

CLUB PROJECTS

It's Your Day

Date : 2023.07.01 -2024.05.31

Chairpersons : Rtr. Aditha Pathiraja, Rtr. Nirodha Sandaruwan , Rtr. Roshendra Crishmal

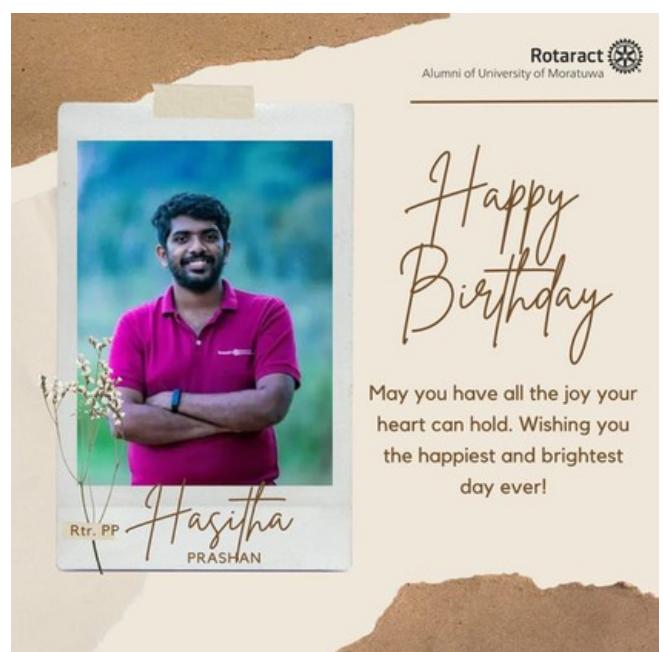

Secondary Avenue : N/A

"It's Your Day" is a public relations initiative created to honor and celebrate the meaningful milestones in the lives of the members of, Rotaract Club of Alumni of University of Moratuwa. This campaign is thoughtfully divided into two sub-projects, each dedicated to spotlighting either birthdays or weddings, ensuring that each member's special day receives the recognition it deserves. Utilizing Facebook and Instagram as the main platforms, this initiative effectively engages its primary audience, the members of Rotaract Club of Alumni of University of Moratuwa—by creating a vibrant and supportive community that celebrates these personal milestones together.

Impact of the project:

- The "It's Your Day" campaign fosters immediate engagement and community connection among alumni, laying the groundwork for stronger long-term relationships.
- The campaign will sustain alumni engagement, facilitate networking opportunities, garner support for club initiatives, and enhance the club's reputation, contributing to its long-term growth and sustainability.

Compassion Corridor Showcase

Date : 2024.02.10 - 2024.03.31

Chairpersons : Rtr. Lakshani Pathirage , Rtr. Nikith Fernando

Secondary Avenue : N/A

The Compassion Corridor Showcase, led by the Rotaract Club of Alumni of University of Moratuwa, marked a triumphant culmination during Rotaract Week. With a focus on spotlighting both local and international sustainable endeavors within the Rotaract Community, this initiative utilized official social media channels as its primary platform.

Throughout its duration, the showcase shone a spotlight on a diverse spectrum of sustainable initiatives, spanning from environmental conservation to community development projects. The aim was clear: to inspire and ignite collaboration within the Rotaract network, nurturing a culture of sustainability and positive social impact.

Throughout its duration, the showcase shone a spotlight on a diverse spectrum of sustainable initiatives, spanning from environmental conservation to community development projects. The aim was clear: to inspire and ignite collaboration by extending invitations to Rotaract clubs to share details of their sustainable projects, whether ongoing endeavors or past achievements, the Compassion Corridor Showcase provided a vital platform for clubs to showcase their contributions to sustainability and social responsibility. Through this collective effort, the showcase effectively raised awareness and advocated for the importance of sustainable practices within the Rotaract Community. On within the Rotaract network, nurturing a culture of sustainability and positive social impact.

Participation was robust, with notable clubs such as the Rotaract Club of University of Moratuwa, RAC Royal Institute of Colombo, Rotaract Club of Marathahalli, RI District 3191 - Bangalore, India, Rotaract Club of University of Kelaniya, Rotaract Club of SLIIT, Rotaract Club of Kathmandu of, RID 3292, Nepal & Bhutan, and Rotaract Club of AC Tech of RID 3232, India were actively involved

SDGs and Rotary focus areas covered:

Their showcased projects, including Rotaract Mora Model United Nations, 12 Days of Christmas, Blooming Days 1.0, Swabha Samudra, Safe Haven, Healthy Meal Campaign, Oon ooti vaazh, and Karka Kasadara, epitomized innovation and dedication to sustainable action.

In sum, the Compassion Corridor Showcase stands as a resounding testament to the unwavering dedication and commitment of Rotaractors worldwide in their pursuit of a better, more sustainable world, driven by community engagement and meaningful action.

Impact of the project:

- In the short term, the Compassion Corridor Showcase aims to swiftly raise awareness and engagement through compelling storytelling, fostering lively dialogue and a sense of belonging within the Rotaract Community.
- The showcase's long-term impact lies in inspiring Rotaractors to initiate sustainable projects, fostering collaboration, innovation, and collective action towards addressing societal and environmental challenges, ultimately contributing to a more sustainable and socially responsible world.

Prelude 23

Date : 2023.07.10 - 2023.08.20

Chairpersons : Rtr. Aditha Pathiraja, Rtr. Nirodha Sandaruwan , Rtr. Roshendra Crishmal

Secondary Avenue : N/A

The Prelude marked the commencement of a transformative chapter for Rotaract Club of Alumni of University of Moratuwa within Rotary International's 2023-24 agenda. This endeavor served as a beacon, illuminating the driving forces propelling the club forward into a new era. Its overarching aim was to introduce the remarkable incoming board members of Rotaract Alumni Mora to the broader Rotaract Family.

The project unfolded through a series of captivating social media flyers, each unveiling a member of the Board of Directors for the 2023-24 term. Beyond this, it also divulged the guiding principle that would steer the Rotaract Club of Alumni of University of Moratuwa throughout the year: "Limitless You for a Passion-Driven Future."

The Prelude began its journey on the 20th of July 2023, as the inaugural introduction flyer graced the digital sphere. It concluded with fervor on the 18th of August 2023, culminating in the introduction of the luminary figure poised to lead the club into this new era - the newly appointed President, Rtr. Lakshani Pathirage. A series of countdown flyers heralded this momentous reveal.

This public relations initiative was dedicated to spotlighting the appointed board members, offering insights into why they were supremely suited for their respective positions, as well as shedding light on their enriching Rotaract journeys. Each member's profile was presented in a polished, professionally designed flyer, showcasing their designated role. Additionally, beyond the surface, this introduction of the Board of Directors served as an opportunity to share details that might elude casual observers, revealing the depth and inspiration that each Rotaractor brings to the table.

The visual narrative of the flyer series adhered to a meticulously chosen color scheme, harmoniously echoing the overarching theme for the year 2023-24.

Impact of the project:

- Increase of the social media reach from re-sharing of the Prelude flyers by the public.
- Exposing the board of officials to the Rotaract movement.

JOINT PROJECTS

End Game

Date : 2023.10.11 -2023.10.29

Chairpersons : Rtr. Lakshani Pathirage

Secondary Avenue : Health, Safety and Communal well being

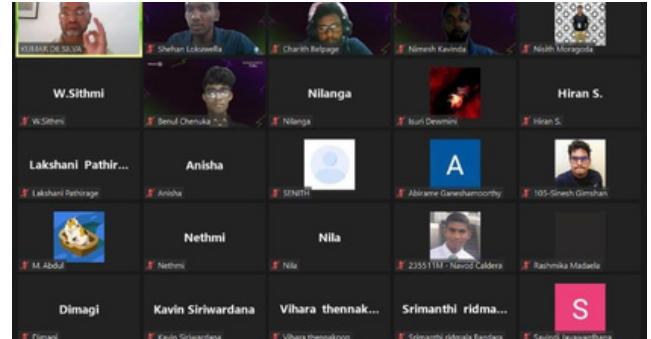

"END GAME" was a collaborative project organized to commemorate World Polio Day, held on October 24th. The initiative involved a partnership between several Rotaract clubs, including the Rotaract Club of American National College, Rotaract Club of Colombo West, Rotaract Club of National School of Business Management, and Rotaract Club of University of Moratuwa.

This meaningful event took place on October 29th at Giovanni Restaurant. The purpose of the event was to shed light on global efforts aimed at achieving a polio-free world and to honor the dedicated individuals working tirelessly on the frontlines to eradicate polio worldwide. Polio, or poliomyelitis, is a severe and life-threatening disease caused by the poliovirus. It spreads from person to person and can lead to paralysis by infecting a person's spinal cord.

"END GAME" served as a mainstream platform for raising awareness about this deadly disease. The event commenced with an informative session on polio eradication, aiming to educate attendees about the importance of eradicating this life-threatening illness. Concurrently, an open mic session provided a space for individuals to showcase their talents in music, comedy, poetry, or any other form of performance art.

The atmosphere during the event was supportive and encouraging, allowing participants to freely express themselves while also gaining valuable experience performing in front of an audience. This combination of entertainment and awareness proved to be both engaging and enlightening. It offered attendees the opportunity to not only enjoy the performances but also to learn about the eradication efforts against polio.

SDGs and Rotary focus areas covered:

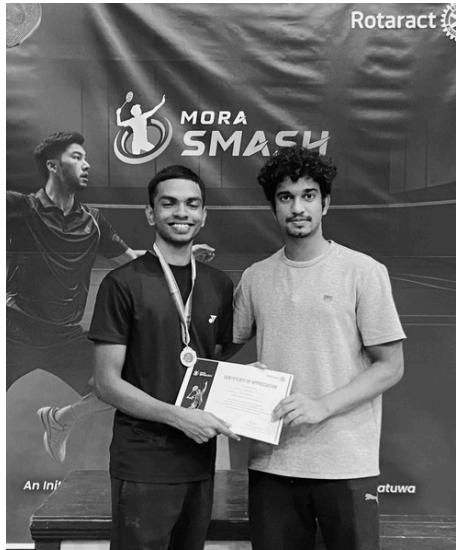

For the Rotaractors involved, "END GAME" provided a delightful experience, fostering opportunities for socializing with other Rotaract clubs and fostering new friendships and fellowships among participants. Overall, the event successfully blended entertainment and education, creating a memorable and impactful gathering dedicated to raising awareness about the eradication of the life-threatening polio disease.

Impact of the project:

- In the short term, the project aimed to raise awareness of polio eradication, foster fellowship among Rotary family clubs, and showcase member talents through events like the PR campaign and Open Mic.
- The project seeks to establish connections for future projects and continue educating on the importance of polio eradication, motivating participants to join the effort towards ending polio globally.

SPORTS AND RECREATIONAL PROJECT OVERVIEW

CLUB PROJECTS

Sports Buddies

Date : 2023.07.01 - 2024.05.31

Chairpersons : Rtr. Himantha Alahakoon, Rtr. Akhila Senevirathne , Rtr. Yasiru Indeewara

Secondary Avenue : Membership Development and Retention

The "Sports Buddies" initiative has successfully concluded its fourth year and continues to thrive. Biweekly, we host sports sessions for club members, featuring activities such as futsal, cricket, and badminton. The primary aim of this project is to assist members in relaxing both physically and mentally, enhancing their free time, and promoting a healthier work-life balance. Continuously. The club has established itself as a comprehensive Rotaract club by finishing more than 30 projects a

Through this initiative, participants can select activities that help them rejuvenate. Engaging in futsal, cricket, or badminton provides them with a much-needed break, allowing them to unwind, relieve stress, and enjoy themselves. The focus is on making their leisure time both exciting and fulfilling.

The essence of the project lies in offering club members the chance to join weekly sports sessions. These activities not only contribute to their physical fitness but also offer a respite from work and other responsibilities. By participating in these sports, members can return to their daily routines with increased energy, better focus, and a more positive outlook.

In summary, the "Sports Buddies" project, now in its fourth year, continues to offer biweekly sports sessions like futsal, cricket, and badminton. Its goal is to refresh both body and mind, making leisure time more enjoyable and helping members balance their work and personal lives while promoting overall well-being.

Impact of the project:

- In the short term, sports activities enhance physical health, promote mental relaxation, strengthen social bonds, and provide immediate enjoyment for club members.
- The project aims to establish sustainable work-life balance, foster community building, and ensure long-term health benefits through consistent physical activity, reducing the risk of lifestyle-related diseases.

SDGs and Rotary focus areas covered:

JOINT PROJECTS

Kick Back Clash

Date : 2023.11.28 - 2024.03.10

Chairpersons : Rtr.Yasiru Indeewara , Rtr. Akhila Seneviratne

Secondary Avenue : N/A

The KICK BACK CLASH Futsal Tournament stands as a testament to the collaborative efforts and unwavering dedication of the organizing committee comprised of members from Rotaract Clubs of Achievers Lanka Business School, Alumni of University of Moratuwa, and Interact Club of Ananda College. Conceived in November 2023, this project emerged from a collective vision to create a platform that celebrates not only the competitive spirit of sportsmanship but also the fostering of long-lasting bonds within a close-knit community.

From its inception, the tournament aimed to provide an immersive and intimate experience, transcending the conventional boundaries of sporting events. What began as a broad concept evolved into a refined and purpose-driven endeavor, centered on the participation and collaboration of the three organizing clubs. Through meticulous planning and strategic decision-making, the committee prioritized quality over quantity, recognizing the significance of meaningful connections and genuine camaraderie among participants.

The tournament, held at Club Fusion Boralegamuwa on March 10th, served as a culmination of months of preparation and anticipation. With six exhilarating matches and participants from each club showcasing their skills on the futsal court, the event exemplified the spirit of sportsmanship and fellowship. Alongside the competitive aspect, the tournament provided opportunities for community engagement and outreach, further reinforcing its impact beyond the realm of sports.

Impact of the project:

- The short-term outcome of the Kick Back Clash Futsal Tournament was the immediate sense of camaraderie among club members, fostering a supportive community atmosphere.
- The tournament's long-term impact lies in the lasting bonds formed, facilitating ongoing collaboration and mutual support among the clubs, ultimately contributing to a stronger and more cohesive community.

SDGs and Rotary focus areas covered:

Mora Smash

Date : 2023.09.21 -2023.10.30

Chairpersons : Rtr. Yasiru Indeewara ,Rtr. Imal Tiranga

Secondary Avenue : Finance

Mora Smash Badminton Tournament was a competitive event organized by the Rotaract Club of Alumni of University of Moratuwa and Rotaract Club of University of Moratuwa. The tournament took place on October 29th, 2023, at the gymnasium of the University of Moratuwa. It was a thrilling badminton tournament where participants from various universities and clubs competed for the championship. Mens Doubles, Womens Doubles, Mixed Doubles and Singles were played in Rotaract, Non Rotaract and School Categories. Winners from all the categories were awarded with medals and certificates.

The tournament was a great success, attracting a large crowd of 80+ players from all around the country who cheered throughout the matches. Overall, it was a fantastic event that showcased the spirit of sportsmanship and camaraderie among the participants.

Impact of the project:

- In the short term, Mora Smash aims to provide a competitive and enjoyable experience for participants while ensuring adherence to rules and safety standards.
- The tournament's long-term impact includes promoting badminton as a sport, fostering a sense of community among players, and serving as a platform for identifying and nurturing talent.

SDGs and Rotary focus areas covered:

DISTRICT PROJECTS

PROJECT OVERVIEW

CLUSTER INITIATIVE - ATHWELA

Date : 2023.12.12 -2024.02.28

Chairpersons : Rtr. Savitha Krishnakumar ,Rtr. Ayami Wickramanayake ,Rtr. Pramodhya Sooriyabandara , Rtr. Ovini Wijethunga ,Rtr. Mohideen Miftha

Secondary Avenue : N/A

The Cluster Initiative, an annual project by the Rotaract District Steering Committee, brought together thirteen Rotaract Clubs to address Health and Sanitary Issues in Children's Homes in Colombo. Under the guidance of Rtr. IPP Aakash Rayen, Rtr. IPP Sandithi Jagoda, and Rtr. Shaheem Imthiyas, the initiative initially aimed to execute a grand project named අත්වැල. However, recognizing practical constraints, the effort was divided into three distinct initiatives, each targeting specific needs.

Classification of Clubs into Groups:

- Group 1: APIIT, Achievers Lanka Business School, Law College, Singer Sri Lanka
- Group 2: Battaramulla, Cinnamon Gardens, Alumni of University of Moratuwa, Rathnapura
- Group 3: American National College, Centennial United, Royal Institute of Colombo, Colombo

Initiative Breakdown:

Group 1: Awareness Session on Handwashing and Healthy Habits

- Location: Sri Jinananda Children's Home, Colombo 06
- Activities:
 - Awareness session on handwashing and healthy habits for children aged 12-16.
 - Interactive activities and distribution of popsicles and sanitary supplies.

Group 2: Dental Hygiene and Nutritional Awareness

- Location: Boys' Industrial Home, Colombo 05
- Activities:
 - Sessions on dental hygiene and nutritional awareness for boys aged 14-17.
 - Engagement activities with snacks and personal sanitary item distribution.

Group 3: Washroom Renovation Project

- Location: Sri Jinananda Children's Home
- Activities:
 - Renovation of washrooms used by children aged 3-18, including replacement of squatting pans, bidet showers, and taps.

SDGs and Rotary focus areas covered:

The initiatives, though executed separately, had a unified impact on improving health and sanitary conditions for children. This cohesive effort, under the project name අත්වැල, exemplified the collaborative spirit of the 13-club cluster, significantly enriching the lives of the children and fostering a healthier community environment.

Impact of the project:

- Project අත්වැල brings immediate benefits by improving hygiene practices, dental health, and nutritional awareness among children, fostering confidence and well-being.
- Additionally, it establishes partnerships and raises community awareness, creating a more supportive environment for the children's growth and development in the long term.

LANKA TRAILS

Date : 2023.06.26 - 2024.01.25

Chairpersons : Rtr. Lakshani Pathirage, Rtr. Samali Seneviratne

Secondary Avenue : N/A

"Lanka Trails" is an exhilarating adventure that brings together people from all over to explore the wonders of Sri Lanka. It's a district initiative organized by the Rotaract Clubs of Alumni of University of Moratuwa, Colombo Central, Colombo East, Colombo Mid-City, Excellence, Jaffna Mid-Town, Matale, Nallur Heritage, Senkadagala, and Singer Sri Lanka. The main goal of "Lanka Trails" is to showcase the beauty of Sri Lanka to the world, forge new friendships, promote tourism, and share cultures.

This project is all about discovering the amazing sights and sounds of Sri Lanka while making friends from different places. Anyone can join in, whether they're part of a Rotaract club or not. It's a chance to experience the rich culture of Sri Lanka and make connections that will last a lifetime.

The project kicks off with the opening ceremony event called "Lanka Fiesta." Held at the Ape Gama Cultural Village, it's a fun celebration featuring music, dance, games, and even a fashion show with traditional costumes. Additionally, there were stalls showcasing Sri Lankan pottery and other artworks. Our Vice President of International Service, Rtr. Samali, showcased her fashion collection with our club members as models. Foreign participants, council members, and Rotaract members joined the event to enjoy the festivities and get ready for the adventure ahead.

After the opening ceremony, it's time for the real adventure to begin. Over six days, participants travel to different parts of Sri Lanka, exploring places like Negombo, Sigiriya, Kandy, Nuwara Eliya, Ella, Hikkaduwa, Galle, and Colombo. Each day is packed with exciting activities, from boat rides in Negombo to exploring ancient temples in Sigiriya and visiting elephant orphanages in Pinnawala.

One of the best things about "Lanka Trails" is the chance to meet people from all walks of life. Participants come from all over the world, including countries like Germany and India. It's a great opportunity to learn about different cultures, share experiences, and make new friends.

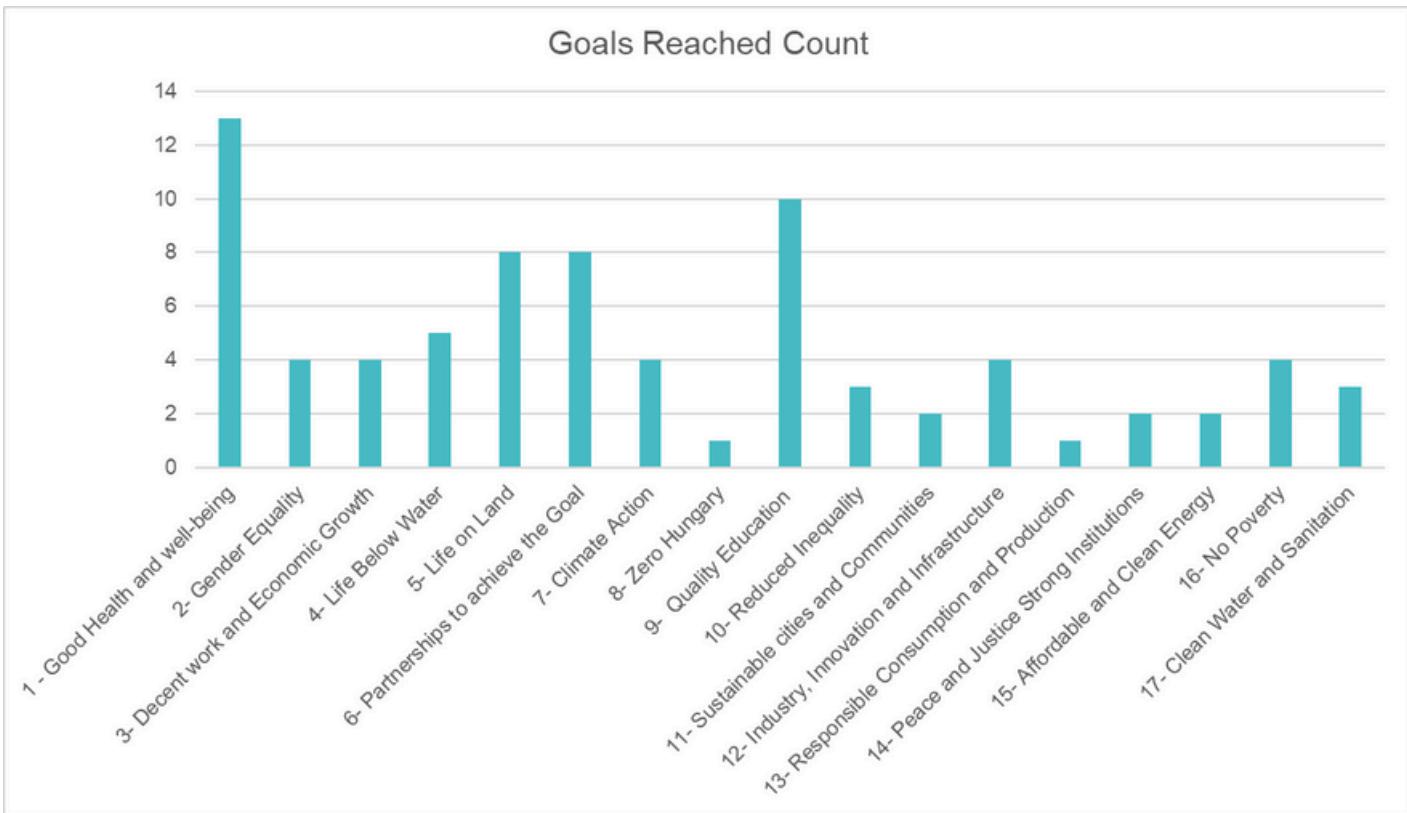

As the journey comes to an end, participants are left with unforgettable memories and a newfound appreciation for the beauty and diversity of Sri Lanka. "Lanka Trails" is more than just a trip; it's a celebration of friendship, culture, and the spirit of adventure. It's a reminder of the amazing things that can happen when people come together with a shared purpose and a sense of curiosity about the world around them.

SDGS AND ROTARY FOCUS AREAS SUMMARY

SDGs Covered in RI Year 2023-24

Rotary Areas of Focus RI Year 2023-24

CHAPTER 05

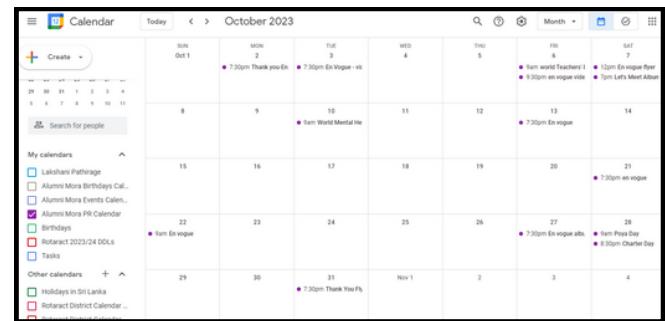

PUBLIC RELATIONS EFFORTS

STRATEGIES USED

PR Calender

Rotaract Alumni Mora PR calendar provides access to all board members, allowing them to effectively schedule and mark important publishing dates. With this calendar, each team can reserve their desired slots two to three days in advance, ensuring a smooth flow of club PR activities and avoiding any conflicts in scheduling.

By clearly indicating the name and time of each publication, the calendar prevents overlapping bookings and facilitates better coordination among teams. This organized approach helps optimize the reach and impact of our club's PR efforts, ensuring a seamless and cohesive communication strategy. With the PR calendar as a valuable resource, we can efficiently plan and execute our activities, effectively showcasing the incredible work done.

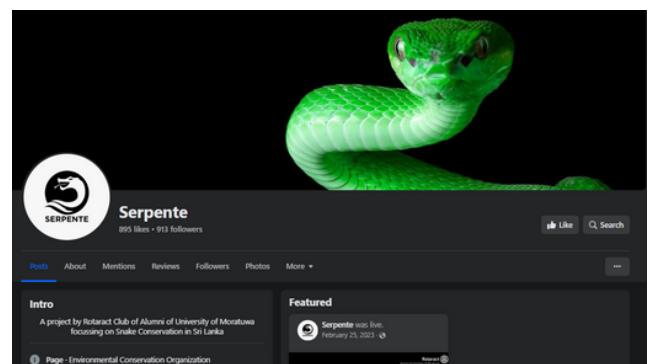

Dedicated Facebook Pages

During the year, dedicated Facebook pages are used for two significant projects:

1. Serpente
 2. Envogue by Rotaract Alumni Mora

These dedicated pages played a crucial role in enhancing the visibility and engagement of each project. By creating separate pages, we were able to tailor content specifically to each initiative, providing detailed updates to showcase the progress and impact being made. This focused approach allowed us to attract individuals who were particularly interested in these projects, resulting in increased community engagement and support.

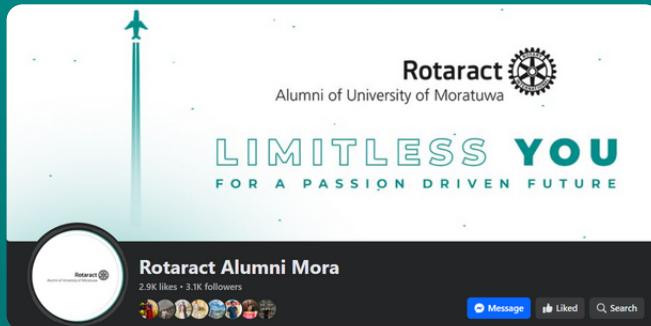

SOCIAL MEDIA MANAGEMENT

During the Rotary International year 2023-24, Rotaract Alumni Mora effectively leveraged various social media platforms to achieve our marketing and publishing goals. Our primary objectives were to raise awareness about our projects, show appreciation to our valued partners, and acknowledge individuals who contributed to the betterment of society. To support these aims, we utilized the following social media platforms:

Official Club Website

Rotaract Club of Alumni of University of Moratuwa proudly re-launched its official website for the Rotaract year 2023-24, integrating the latest features to align with the current digital era. The website's aesthetic is highlighted by this year's theme color, Dark Cyan (#008D8A), providing a visually appealing and cohesive design. The homepage offers seamless navigation, with access to all sections of the site. Captivating images of memorable moments are prominently displayed in the header, enhancing the visual experience.

The navigation bar, adorned with the club logo, includes intuitive links to various sections: Home, About (detailing the club's history and board of officials), Downloads (where users can access newsletters, bulletins, and annual reports), Avenues, Awards, and Contact Us.

Additionally, a direct link to the club's official blog is conveniently positioned in the top right corner for easy access. Furthermore, in the home page later part, we have included the Gofund me donation portal of our signature initiative "Kindred Kidneys" to direct the interested parties towards supporting our worthy cause.

Blog, Newsletter and Bulletins

Rotaract Alumni Mora blog is a vibrant collection of engaging articles that capture the unique Rotaract experiences of our members and their involvement in various projects. We curate and share inspiring blogs with our community, aiming to motivate and encourage members to share their own stories. By showcasing a variety of experiences, challenges, and successes, we foster an empowering environment that inspires others to embark on their own remarkable journeys in Rotaract. This year, our members contributed significantly, resulting in a total of 15+ captivating blogs.

The screenshot shows the homepage of the club's website. At the top, there is a large header image of a group of club members posing outdoors. Below the header, the navigation menu includes "Home", "About", "Downloads", "Avenues", "Awards", and "Contact Us". To the right of the menu, there is a "Blog" button. The main content area contains a brief introduction about the club's 10th anniversary, mentioning its growth from 20 members to over 80 active participants, and its focus on "Limitless You for a Passion-Driven Future". Below this text are five service icons with corresponding descriptions: "Community service", "Club service", "Professional development", "International service", and "Environmental service".

The website also features impressive club statistics, showcasing membership numbers exceeding 80, over 10,000 volunteer hours, and more than 30 projects completed this year. This revamped platform not only reflects the dynamic spirit of the club but also ensures a user-friendly experience for all visitors.

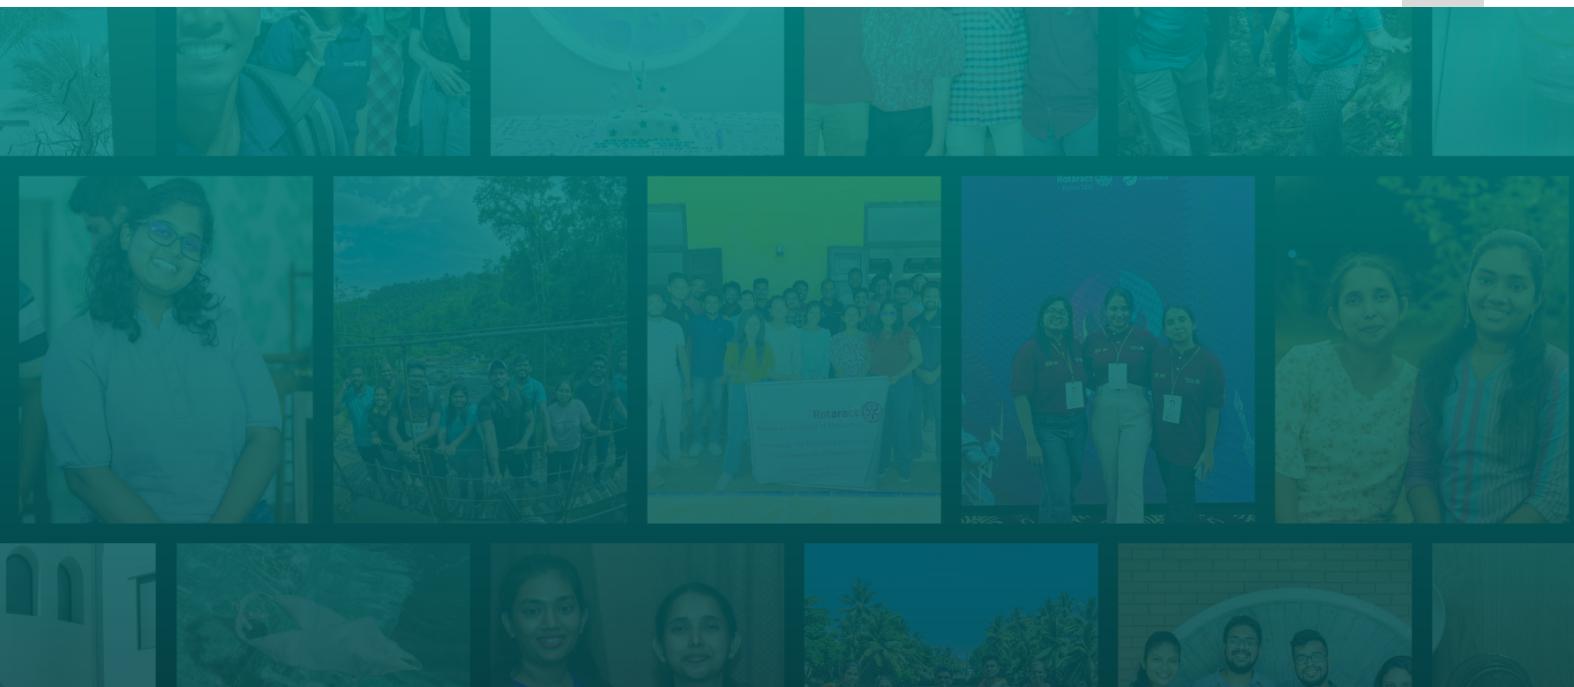

Our club's official newsletter for this year, titled "Vibrant Voyages," is issued quarterly and features comprehensive updates on club projects. It also highlights the talents of our members, including arts, drawings, poems, thoughts, and articles. "Vibrant Voyages" serves as a creative outlet and a source of inspiration for all club members.

Additionally, our bulletin, created in collaboration with the Rotaract Club of Mount Carmel College, India, is named "Limitless Voyage." This bulletin includes detailed information about our joint projects with the Rotaract Club of Mount Carmel.

College, such as the Twin Club Agreement, Cook to Connect 2.0, Mythical Mysteries, and Together We Stand. It also documents our joint general meetings, showcasing the strength and unity of our international partnership.

Together, these publications reflect our dedication to making a meaningful impact and working towards our shared mission of creating positive change in the world.

CLUB SERVICE

The Club Service Avenue of Rotaract Alumni Mora Club has been a cornerstone of our organization, fostering a sense of belonging, camaraderie, and personal growth among our members. This report highlights the experiences, challenges, and invaluable lessons learned through our involvement in various club service activities. The Rotaract Installation Programme marked the beginning of our journey, setting the tone for a year filled with service and fellowship. This event not only provided an opportunity for new members to join our ranks but also served as a platform to reaffirm our commitment to service above self. Through active participation in the installation ceremony, members gained valuable insights into the principles of Rotary and Rotaract, laying the foundation for their involvement in club service activities. The Board Trip was a unique opportunity for our club leadership to come together, bond, and strategize for the year ahead. This immersive experience allowed board members to brainstorm ideas, set goals, and plan impactful projects for the community. The trip not only strengthened the bond among board members but also provided valuable leadership training and team-building exercises. The 'Alumni Ape Avurudu' celebration was a momentous occasion that brought together past and present members of our club to celebrate the Sinhala and Tamil New Year. The Charter Day Celebration marked a significant milestone in our club's history, commemorating the anniversary of our charter. This event served as a reflection of our club's achievements, growth, and impact on the community. Through speeches, presentations, and testimonials, members gained a deeper appreciation for the legacy of our club and the importance of service in our lives.

The Rise Up initiative empowered members to take on leadership roles and develop their skills through training and mentorship. This program provided members with the tools, resources, and support needed to excel in their respective roles within the club. Through workshops, seminars, and hands-on activities, members honed their leadership abilities, enhancing their overall personal and professional growth. The "Let's Meet" get-together monthly gathering served as invaluable opportunities for networking, collaboration, and fellowship. These gatherings facilitated meaningful discussions, idea sharing, and team-building exercises, strengthening the bond among members. Through interactive activities and icebreaker games, members developed strong interpersonal skills and forged lasting friendships, enriching their overall club experience. Our journey throughout the year was marked by numerous experiences and learning. The Club's service avenues have had a profound impact on our lives and personal growth. Through our involvement in various projects, we have developed essential skills such as leadership, communication, and problem-solving. Moreover, our experiences have instilled a sense of empathy and social responsibility, shaping us into compassionate and socially conscious individuals. In conclusion, the Club Service Avenue of Rotaract Alumni Mora Club has been instrumental in fostering a sense of community, camaraderie, and personal growth among our members. Through active participation in various club service activities, members have gained invaluable experiences, honed essential skills, and forged lasting friendships. As we look forward to the year ahead, we are filled with optimism and enthusiasm, eager to continue our journey of service and fellowship.

COMMUNITY SERVICE

Vice President
Community Service

Rtr. Gihara
Wickramatunge

Co-Director
Community Service

Rtr. Madushan
Sasanka

Co-Director
Community Service

Rtr. Manula
Thennakoon

Well, this really is a moment to realize how hard it is to convert a bunch of really cool and unforgettable moments in community service into some texts. To begin with, the Rotaract Club of Alumni of the University of Moratuwa has soared to new heights in community service with the strength of many enthusiastic and beautiful souls. We arranged our journey through diverse communities hand in hand with fellow clubs, spreading humanity, knowledge, compassion, and action. Throughout the Rotary International year 2023/24, we extended the thought of serving the community through four major impactful projects: Nena Sayura, Suwa Arana, Kindred Kidneys, and Share the Joy.

The project Nena Sayura is focused on uplifting the education of the next generation. With the helping hands of our enthusiastic volunteers, we were able to arrange many seminar series to share our knowledge in various subjects, including mathematics and science, with school students. We not only covered subject material but also motivated them and shared our experiences on how to study well, manage stress, face exams effectively, choose a career path wisely, and more through inspirational and motivational sessions.

As for some highlighted occasions under the project Suwa Arana, we arranged a blood donation campaign at Vijayarama Viharaya, Piliyandala, with the help of the villagers. This campaign was more than successful, with over 100 participants and over 70 successful blood donors. It gives us goosebumps to realize how impactful this tiny attempt to support the national blood bank is, considering the fact that one blood donor can save three lives. We also arranged sessions on how to maintain mental well-being, focusing on students, after recognizing the importance of having such awareness for students.

As the name suggests, the targeted group of the project Kindred Kidneys are those affected by chronic kidney diseases. We have been providing scholarships to students from families that suffer from CKDs. We supported the Sri Lanka Kidney Patients' Association by selling their monthly magazine named "Wakugaduwa" and tickets for their fundraising concert "Suwasara Gee Dahana." Additionally, we started working on providing clean water facilities by installing an RO filter in a rural area in Padaviya, where it's really hard to find purified and clean water. We visited the Padaviya area several times to oversee the situation there and to collect information with the support of medical officers, public health inspectors, and villagers. During one of those visits, we distributed valuable packages with essential items to pregnant mothers in the aforementioned area. It's also worth mentioning the breathtaking views of greenery, elephants, and especially the 'captured-in-mind' sceneries at Padaviya Lake.

We didn't forget to share some joy with the tiny innocent souls in student development centers and children's homes through the project Share the Joy. We found this a way to celebrate the birthdays of our beloved members in a meaningful manner. We provided essential sanitary and other items with the generous contributions of our club members and, most importantly, spent quality time with the children, having fun and playing games.

ENVIRONMENTAL SERVICE

As Environmental Service Avenue Directors of the Rotaract Club of Alumni of University of Moratuwa, we are thrilled to reflect on a year filled with impactful initiatives and significant strides towards environmental sustainability. Our mission has been to foster a deep-seated respect for the environment and to promote sustainable practices within our community. This year, our efforts were diverse and far-reaching. We organized tree planting drives that not only enhanced the green cover of our country but also engaged the community in hands-on conservation activities. These drives saw enthusiastic participation from members and local residents alike, reinforcing the collective commitment to a greener future.

In addition to tree planting, our clean-up campaigns were instrumental in promoting the importance of maintaining clean and healthy environments. We targeted areas prone to littering and pollution, and with the help of dedicated volunteers, we managed to restore these spaces to their natural beauty. These campaigns were not just about cleaning but also about educating the public on the detrimental effects of littering and the importance of recycling and waste management.

We also formed strategic partnerships with local environmental organizations, amplifying our efforts and expanding our reach. These collaborations allowed us to undertake larger projects and leverage the expertise and resources of our partners.

As we reflect on our achievements, we are filled with gratitude for the unwavering support and enthusiasm from our members, volunteers, and partners. Together, we have made a tangible difference in our community. Moving forward, we remain committed to our mission and look forward to more initiatives that will further our goal of creating a sustainable and environmentally conscious community. Thank you for your continued support and dedication to this vital cause.

Along the way, we faced challenges like not having enough resources, tight deadlines, and unexpected problems. However, dealing with these difficulties made us stronger and taught us how to adapt and solve problems creatively. Working in different areas of environmental work gave us a broad understanding and helped us learn in many ways, both professionally and personally.

Our collaborations with different groups, such as nonprofits and businesses, helped us grow professionally and gave us the chance to mentor others who want to protect the environment. Looking back, our work has been very fulfilling, making a positive impact on society. By working closely with communities, we've learned how important it is for everyone to work together to take care of the environment.

Through all these experiences, we've not only grown in our careers but also as individuals. It has shaped who we are and made us feel more responsible towards the planet and its inhabitants.

As we conclude the Rotary International year 2023-24, it is with immense pride that we reflect on the transformative achievements of the International Service Avenue and the depths of fellowship, service and friendship we've been able to reach. This year has been especially significant due to the establishment and nurturing of two twin club agreements with Rotaract Club of Mount Carmel College (RID 3191) and Rotaract Club of Kathmandu (RID 3292).

Our twin club agreements with these esteemed international clubs have been the cornerstone of our international outreach efforts. These partnerships have fostered deeper connections, facilitated cultural exchanges, and paved the way for collaborative initiatives that transcend borders. By working closely with these members of these two clubs, we have shared best practices, supported each other's projects, and built a strong foundation of mutual respect and friendship.

These two twin club agreements, multiple Letterhead exchanges with a number of clubs and the many collaborative projects have been pivotal in achieving our goal of fostering global fellowship and understanding. Through these many initiatives have been able to share club updates, finalize important decisions, spread unity while serving our communities, and strengthen our bonds of camaraderie. These interactions have underscored the importance of international collaboration in achieving our shared mission of service and positive community impact.

We, Team IS, extend our heartfelt gratitude to all members for their unwavering support and dedication. Let us continue to build on these strong foundations and strive for excellence in our international service endeavors. Together, we are stronger, and together, we will continue to serve, learn, and grow.

Throughout the past year, our Rotaract Club has been a journey of growth and development, marked by invaluable experiences and lessons learned. We delved into the intricacies of project management, overseeing various initiatives and navigating the challenges that arose. This period allowed us to hone our leadership skills as we managed chairs and co-chairs, learning to effectively delegate tasks and provide support where needed. Through this, we gained insight into handling human resources within our avenue, understanding that each individual brings their unique strengths and may encounter obstacles along the way.

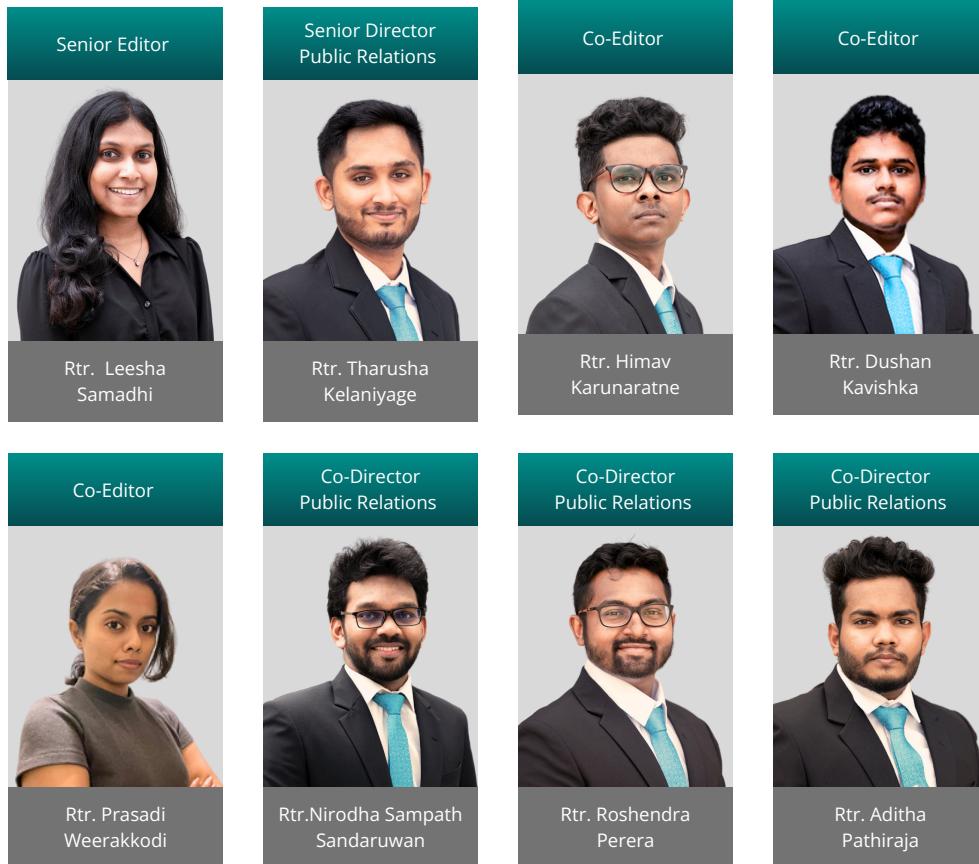

One significant aspect of our experience was recognizing the importance of punctuality and adhering to deadlines. We embraced the necessity of timely delivery and worked diligently to instill this value within our team. Moreover, our interactions extended beyond the confines of our club, as we engaged with different organizations and movements to achieve shared goals. Collaborating with diverse individuals not only broadened our perspectives but also enriched our approach to problem-solving.

Reflecting on our journey, we encountered both highs and lows. Despite our efforts, there were instances where the anticipated support from other clubs fell short, impacting the execution of certain projects. However, amidst these challenges, we found solace in the unwavering support of various organizations that rallied behind our cause. Their commitment bolstered our resolve and reaffirmed the significance of collaboration in driving positive change.

Beyond skill acquisition, our Rotaract journey fostered profound personal growth. We developed invaluable people-handling skills, learning to collaborate seamlessly with individuals from diverse backgrounds. This experience cultivated resilience, as we navigated through challenges and honed our ability to work under pressure. Moreover, it instilled a strong sense of responsibility, teaching us the importance of meeting deadlines and managing multiple projects simultaneously. Above all, our journey imbued us with leadership skills and an unwavering commitment to effecting positive change in our communities.

As we look back on the past year, we are filled with gratitude for the experiences shared and the lessons learned. Each challenge was met with resilience, and every success celebrated as a testament to our collective effort and determination. Moving forward, we are eager to build upon these experiences, forging ahead with renewed vigor and an unwavering commitment to service and leadership.

PUBLIC IMAGE

Public Relations Avenue Message

It's an honor to be in such a wonderful family as Rotaract Alumni Mora. It has been so colorful because of the diverse people and their different thoughts. As the PR team, we are delighted to thank our President, Lakshani Pathirage, and the secretaries for giving us this opportunity to work on this platform throughout the year.

In the journey of our PR Avenue, we had the task of exposing more of our Rotaract Club to the community. To that end, we trained some Rotaractors who were willing to upgrade their PR skills by making designs and videos.

Working with different avenues and being a part of each project was a great opportunity in our PR journey. Communicating with them and blending their ideas with ours created great PR campaigns for each project.

The "Vibrant Voyages: Rotaract Alumni Mora Odyssey" newsletter is a main project that the PR team handles with the support of the Editorial Team, which highlights the main projects held during a quarter of the year. After designing the newsletter series, the comments and appreciation from the Rotaractors and followers of the club made us feel self-satisfied with our work.

Furthermore, the PR avenue took care of sharing birthday wishes for our members, wedding and engagement wishes on their special days, and congratulating them on their achievements. We also brought festival flyers and special day flyers to your chat on those special days.

Finally, as a team, we are delighted to thank all the members who worked with us and supported us throughout this year, and we congratulate the newcomers on their future Rotaract journey.

PUBLIC IMAGE

Editorial Avenue Message

As an integral part of the Rotaract Club of Alumni of the University of Moratuwa, the Editorial Avenue stands as a testament to the power of words in driving positive change and fostering strong connections within our club and beyond. Our avenue's contributions throughout the past year extended beyond mere text. We meticulously crafted, corrected, and polished every piece of content, from project descriptions to event captions. This attention to detail ensured that the club's message was conveyed effectively and professionally across all platforms.

As a highlight of our efforts, it is with immense pride and joy that we announce the successful publication of the 1st, 2nd, and 3rd quarters of our official newsletter, "Vibrant Voyages - Rotaract Mora Odyssey." This accomplishment stands as a testament to the dedication, creativity, and collaborative spirit of our team and reflects our commitment to keeping our community informed, engaged, and inspired. As co-chairs, Rtr. Kavini Pabasara, Rtr. Geesaranee Silva, and Rtr. Jayani Ranchagoda have demonstrated exceptional vision and craftsmanship in curating content that resonates with our diverse audience.

Through "Vibrant Voyages," we have embarked on a literary odyssey that celebrates our collective achievements, shares impactful stories, and highlights the meaningful projects and initiatives undertaken by our club. Every edition has been carefully crafted to embody our club's values and highlight the outstanding contributions of our members, partners, and beneficiaries.

Additionally, we have dedicated ourselves to proofreading and editing blog articles authored by our Rotaractors. These articles delve deep into our varied projects, inventive initiatives, and the significant impact we strive for in our community. Finally, we extend our heartfelt thanks to everyone who has contributed to a successful Rotaract year. Your dedication and passion have made this journey possible. Cheers to a year in which we strengthened connections through words!

MEMBERSHIP DEVELOPMENT

As we approach the end of this term, we would like to take a moment to reflect on the incredible projects and initiatives we've accomplished together as a club. This term has been defined by our dedication to engaging with our alumni and community in meaningful ways, and I am proud to share the impact we've made.

Our flagship project, "Coffee with Alumni," was a tremendous success during Phase 1. This initiative not only facilitated valuable connections between our current members and esteemed alumni but also provided an overall understanding for newcomers.

In Phase 2 of "Coffee with Alumni," we came together in person to celebrate our club's 20th anniversary. It was a memorable occasion that allowed us to reconnect with esteemed alumni and reflect on our club's rich history of service and leadership.

In addition, our avenue successfully executed two distinct tasks this calendar year: the distribution of our club T-shirts and the collection of membership fees.

I would like to extend my deepest gratitude to everyone who contributed to these projects, from the organizing committees to the volunteers and participants. Your dedication and enthusiasm have been instrumental in our success.

Looking ahead, let's continue to build on these achievements and explore new avenues to make a positive impact in our community and beyond. Together, we can uphold the values of Rotaract and inspire positive change.

Thank you all for your hard work and commitment this term. Here's to the future of our club and the exciting opportunities that await us.

SPORTS

As the Sports Avenue Directors of the Rotaract Club of Alumni of University of Moratuwa, it is with immense pride and joy that we reflect on an exceptional year of athletic achievement, camaraderie, and community engagement. Our mission has been to foster a spirit of sportsmanship, teamwork, and healthy living among our members and the broader community. This year, we organized a variety of sports events and activities that not only showcased our members' talents but also brought people together in the spirit of friendly competition and mutual support.

In addition to the Sports events, we introduced a series of weekly fitness sessions, under project Sports Buddies. These sessions were designed to cater to different fitness levels and interests, encouraging a wider participation base. The feedback from these activities has been overwhelmingly positive, with many members expressing how these sessions have positively impacted their health and daily routines.

Our Sports Avenue also prioritized inclusivity and accessibility, ensuring that everyone, regardless of their skill level or background, had the opportunity to participate. These initiatives aimed to empower young people through sports, teaching them valuable life skills such as discipline, teamwork, and resilience.

As we look forward to the coming year, we are excited to build on this foundation, exploring new initiatives and opportunities to promote sports and wellness. Together, we will continue to inspire and lead, fostering a vibrant, active, and healthy community within the Rotaract Club and beyond. Thank you for being part of this incredible journey. From organizing engaging events like Sports Buddies and Mora Smash to participating in tournaments like the Gents 23' Cricket Tournament and the Rotaract Champions League, we've had an action-packed year.

Beyond the wins and losses, it's the bonds we've formed and the values we've upheld that truly define our journey. Together, we've exemplified the spirit of Rotaract through our dedication to sportsmanship, teamwork, and community service. Thank you to all members for your contributions and commitment. Let's carry the lessons learned and the friendships made into the year ahead, continuing to make a positive impact through the power of sports.

Reflecting on these accomplishments, we extend our heartfelt gratitude to our dedicated team, enthusiastic participants, and supportive partners. Your energy and commitment have been the driving force behind our success.

INFORMATION TECHNOLOGY

Welcome to the IT Avenue of Rotaract Alumni Mora, where technology meets service and innovation drives community progress. Over the past year, our dedicated team has been at the forefront of leveraging digital solutions to enhance the reach and impact of our projects. One of our landmark accomplishments was the development of the official website for Rotaract Alumni Mora. Our team meticulously designed and developed a user-friendly and visually appealing platform that serves as a hub for all our activities and communications. This website not only showcases our ongoing projects and achievements but also provides a seamless experience for members and visitors to stay informed and engaged with our initiatives.

In today's digital age, ensuring accessibility and broadening our audience is crucial. Our IT Avenue has taken the lead in live streaming major events, allowing real-time participation and interaction from members and supporters around the globe. This initiative has significantly increased our event attendance and engagement, breaking geographical barriers and fostering a more inclusive community spirit. Managing our digital presence effectively is key to maintaining our connection with the community. Our team has been actively handling various digital platforms, ensuring that our social media channels, newsletters, and other online communications are consistently updated with fresh, engaging content. This continuous effort helps keep our members informed, involved, and inspired to contribute toward our shared goals.

Beyond digital engagement, the IT Avenue has played a crucial role in the logistical and technical aspects of event handling. From conceptualizing and planning to executing and troubleshooting, our team has been instrumental in ensuring the smooth operation of numerous events. Our expertise in technology has streamlined processes, enhanced participant experiences, and ensured that each event runs without a hitch. Our journey this year is a testament to our commitment to innovation and excellence. The IT Avenue of Rotaract Alumni Mora is dedicated to exploring new technologies and strategies to further enhance our impact. Whether through developing cutting-edge digital tools, optimizing our online presence, or ensuring the flawless execution of events, we are continually striving to push the boundaries of what we can achieve together.

As we look to the future, the IT Avenue remains steadfast in its mission to support and uplift the activities of Rotaract Alumni Mora through technological advancements. We are excited about the opportunities that lie ahead and are committed to harnessing the power of IT to foster growth, community engagement, and positive change. Together, we will continue to innovate, inspire, and lead the way in making a difference. Join us on this exciting journey as we pave the way for a brighter, more connected future with Rotaract Alumni Mora.
