MESSAGE FROM THE PRESIDENT

Rotaract is the perfect platform for anyone to serve the community by building fellowship. Commencing the RI Year 2021-22 with the new normal concept becomes a challenging year for projects but an impactful year for Rotaract. With the theme of "Embracing change to enrich lives", Rotaract provides the opportunity for everyone to improve yourself and try new things by thinking positively about your situation, capabilities, and ability to adapt to change. Aligning with the year theme Rotaract Alumni Mora provides the challenges and opportunities for the members by trying out newly initiatives to become more energetic and effective towards the betterment of the country.

As the main focus areas for the year redefining the fellowship in a different level the initiative of "Fellowship Diaries" with a new scope to enhance our friendships with the Rotaractors of other zones and focusing on impactful projects became a successful attempt by the club service team. The rebirth of "Mithuru Sulanga" after 8 years provides a bridge for the Rotaractors in Rotaract Club of University of Moratuwa to directly engage with our members as a newly kind of an experience after two years of pandemic. It redefines the fellowships and friendships to carry out more impactful projects for years and fulfill the targets of our membership strategies in a colorful manner.

Continuing the "Kindred Kidneys" for the third consecutive year focusing beyond the requirements of the Chronic Kidney Disease patients and introducing the crowdfunding method of raising funds through GoFundMe was highlighted in the journey of project Kindred Kidneys. The project 'DeCOVID' was completed successfully with an impactful service to the community.

The next main focus area of environment, project Marathon Towards Greenery is a successful project with several impactful projects mainly the mangrove conservation. Project "Serpente" was also a project with a different facet and different scope on snake conservation which provides a great impact to the reptile community. The newly addition to the project "Marathon Towards Greenery" is mainly driven by the team with passion on nature with an objective of building a greater place for everyone.

The international service aspects also widen beyond the limits to serve the world with an intention of making peace and building friendships. The project "United We Stand" was an incredible effort by the team to fulfill different aspects in international service projects.

The next focus area in professional development the project “DIYer”, another novel initiative of the year focusing the basic skills of daily life by promoting the DIY skills and enhancing entrepreneurial skills for future.

The successful completion the year of Rotaract we were able to conduct 38 main projects and 60 project phases/sub projects. This is a not simple journey for me as a president. The team behind me played the significant role and did their part to make this challenge a reality. In addition to the support from my Board of Directors and club members, the guidance offered by President of Rotary Club of Colombo West Rtn. Anisha Dharmadasa, Youth Service Director Rtn. PHF Tushani Samaranayake and Guide Club Coordinator Rtr. IPP Meshach Lindon was a guiding light in our path to success. I'm very grateful to Rtr. PP Himantha Alahakoon, Rtr. IPP Anju Cheran and ADRR Rtr. IPP Hasitha Prashan and the secretary Rtr. Sithmi Lawanga for the continuous support throughout the year.

In addition to that, the guidance and inspiration given by the DRR Rtn. Rtr. PP Akhila Wijetunge and the District Steering Committee throughout the year. Finally, I would like to extend my appreciation to my parents for their understanding and support which to complete this year successfully.

At the end of the RI year 2021-22, Rotaract Alumni Mora is a family with great memories and a strong support system. I wish for our club to achieve greater heights in the future to render impactful service to the society and I'm always there to play my part.

Viva La Rotaract

Rotaract Club of Alumni of University of Moratuwa**

MESSAGE FROM THE SECRETARY

Completing the Rotary International year 2021-22, Rotaract Club of Alumni of University of Moratuwa has now fulfilled its 9th year of service going by the theme "Empower Change to Enrich Lives". The year-long journey initiated on a setting where the entire global community was striving forward to adapt to new normal and recovering from a pandemic situation yet again being affected by the same from time to time. With all these background in place, the leadership of Rotaract Club of Alumni of University of Moratuwa thrived in formulating plans for the coming year with all of the talented and dedicated member base of the club. These initiatives were widened over all the avenues of the club and always targeted on giving an impactful result which strengthens our local and international communities, the nature and our own members base itself.

Coming to the finale of the year 2021-22 it takes great pride in announcing that the club succeeded in writing 38 impactful stories with over 1000+ Hours of voluntary service across 6 avenues. The concepts behind all these projects were woven by the members themselves with all the experience and knowledge that this unified member base with budding professionals holds.

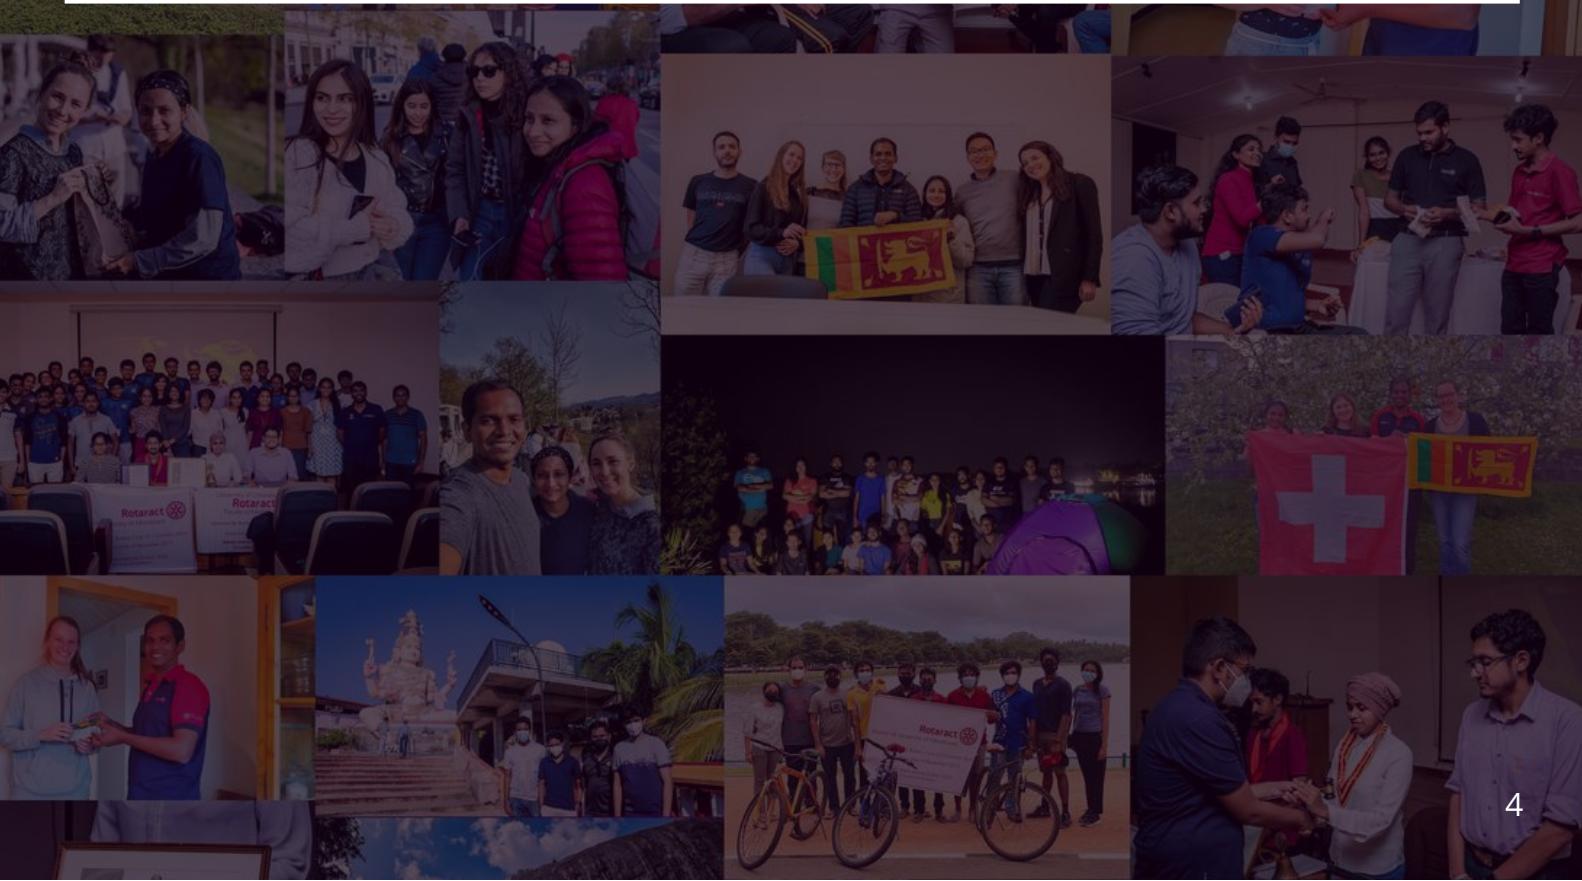

The club also succeeded in building up extraordinary initiatives together with the fellow Rotaract clubs, Rotary clubs and Interact Clubs belonging to both local and international Rotary Districts thus giving true meaning to the theme "Serve to change Lives" though fellowship. As Rotaract Club of Alumni of University of Moratuwa concludes another impactful chapter successfully, I extend my heartiest gratitude to our astounding member base, past members, fellow Rotaract Clubs, Rotary Clubs and Interact Clubs and other stakeholders who held our hand in this journey of service for making this chapter another remarkable one for Rotaract Club of Alumni of University of Moratuwa.

CLUB OVERVIEW

Rotaract Club of Alumni of University of Moratuwa continues its 9th consecutive year up to date and to execute sustainable initiatives to serve the community as energetic engineering professionals in the country. Meanwhile, the club has also been guiding and building a strong partnership with the Rotaract Club of University of Moratuwa over the years. Amidst the dire situation of a global pandemic and many unprecedented settings, the club has strived and rendered a phenomenal service in the year 2021-22. The determination and strength of the club members has made it possible to come up with innovative solutions to serve the community, empower the club membership, fellowship, and goodwill with the worldwide Rotaract community. The club was initiated with 20 members and now it has grown its membership to nearly 130 active members within the last few years. Past members who are around the world have always been a pillar of strength for the successful drive of the club.

This year, going by the theme 'Empowering Change to Enrich Lives', the club aspired and was inspired in finding novel pathways to enrich the lives of the global community that has had to undergo changes in quality of life during difficult times in the past two years. The club was persistent throughout the year to rise up to the challenges and ultimately make the name of Rotaract worthwhile not only locally but across the boundaries of the country as well.

This year, the club has completed 38 projects in all 6 Rotaract Avenues and consolidated its position as an all-around Rotaract club. The club has continued to stay true to the virtue of "Serve to Change Lives" and continued the signature projects such as "Kindred Kidneys" and "Nana Sayura" to serve the local communities in Sri Lanka while developing its scope in projects such as Marathon Towards Greenery to protect the environment and to nurture the future generation to do the same. "Fellowship Diaries", "Limitless Horizons" and "DIYer" are brand new signature projects which were introduced this year in Club Service Avenue and Professional Development Avenue respectively. The club also succeeded in reintroducing projects such as "Mithuru Sulanga" which served as an iconic project in gathering Rotaract families from University of Moratuwa and the fellow Rotaract clubs. Over the year 2021-22, the club succeeded in bringing together numerous partners both Rotaract and non Rotaract from numerous backgrounds thus making this year-long journey a collection of collaborative efforts in enriching the lives of the people through sustainable and innovative means.

CLUB HISTORY

Rotaract Club of Alumni of University of Moratuwa, chartered in 2013 under Rotaract District 3220, is a community based Rotaract Club sponsored by the Rotary Club of Colombo West. The club was founded with the intention of paving the way for members taking leave from Rotaract Club of University of Moratuwa, to continue their engagement in the Rotaract movement. The club also welcomes Alumni of University of Moratuwa, to begin an exciting journey of service in Rotaract. The club was initiated with 20 members and now it has grown its membership to over 100 members within the last few years.

Over the years, Rotaract Club of Alumni of University of Moratuwa has taken up many initiatives under its avenues of service; Club Service, Community Service, Environmental Service, International Service, Professional Development and Sports. The signature projects conducted by the club over the past years include "Kindred Kidneys", a project aimed towards supporting communities suffering owing to Chronic Kidney Disease in Sri Lanka, "Marathon towards Greenery", a series of projects aimed at conserving the environment aligning with the "Going Green" concept, "Mitrata", International Service initiative with Rotaract Clubs in Nepal (RID 3292) and "Debractor", a friendly debate series with fellow Rotaractors from across the globe. The club has won number of accolades and recognitions for its initiatives over the past years.

Stepping on to the 9th year of service in the year 2021-22, the club is now thriving with the vision of embracing positive changes to open up more opportunities to make an impact on the lives of the people we serve by going by the theme **"Empowering Change to Enrich Lives"**.

DRR VISIT 2nd of October 2021

ADRR VISIT 23rd of March 2022

PURPOSE

GENERAL MEETINGS

General meetings were held every month to share details about the progress of the club activities with the general members, to inform special announcements for members and to increase the fellowship between members. A total of ten joint general meetings were held with both local RID and International RID clubs.

BOARD MEETINGS

Board meetings were held every month to share details about the progress of the club activities and to streamline the flow of projects with the Board of Directors 2021-2022.

MEETING MINUTES & REPORTING

Meeting minutes for general meetings and board meetings are recorded and all the details of the meetings are recorded in the monthly reports submitted via RMIS. Apart from the recorded meetings in the RMIS, additional meetings were held by the president and board directors avenue-wise to discuss and update project plans.

VENUE

General Meetings and Board meetings were held mostly virtually on the Zoom platform due to Covid-19 travel restrictions. However, it was possible to hold four physical meetings with hybrid setup.

PARTICIPATION

Meetings were presided by the President, Rtr. Kavinda Senarathne whereas the Club Secretary, Rtr. Sithmi Lawanga joined the President at the Head Table. Occasional participation of other guests such as District Committee Members, Past Members, International Rotaractors and Guest Speakers completed the gathering. The general meetings were open to both present members and prospective members.

EXCUSES

Excuses were tabulated for absentees. The members were requested to send in the excuses as a reply to the WhatsApp invite for the meeting each month. The meetings were notified to the members in advance to receive the excuses duly. The excuses were read out by the Club Secretary in each meeting.

FEATURES

In order to enhance the effective participation in a virtual setup, to make the club members more enthusiastic and to get to know the fellow Rotaractors from other clubs well, several activities and sessions were carried out during the General Meetings and the Joint General Meetings. Entertainment acts were performed by the members and Project "Speak Up 2.0", a public speaking skills enhancement project for the enrichment of the members.

CLUB MEMBERSHIP

MEMBERSHIP STRATEGY FOR THE YEAR

Rotaract Club of Alumni of University of Moratuwa is a community-based Rotaract Club which consists of graduates from University of Moratuwa and final-year undergraduates of University of Moratuwa. Most of the members of the club have been members of the Rotaract Club of University of Moratuwa. During 2021-2022, the active member base of the club was increased from 80 to 130 over a period of 12-months. This increment is rooted in numerous strategies that were planned front eh beginning of the year as per the action plan to retain, attract and develop an active member base of the club. Accordingly, the following objectives were defined to formulate different strategies for securing and developing the members.

- **To attract new members to the club from Rotaractors leaving the Rotaract Club of the University of Moratuwa and graduates from the Faculty of Information Technology, Faculty of Architecture, and Faculty of Business.**
- **To retain active senior members of the club by appointing them to leadership positions and building a platform for them to actively engage in club activities.**
- **Improve the involvement of newly joined members in club activities for a better understanding of the dynamics of the club and build a pathway to reach non-Rotaractors from the University of Moratuwa**

The methodology adopted in achieving the above objectives:

1. Execution of initiatives which involved Rotaractors and non-Rotaractors, past members, present members and prospective members from the Rotaract Club of Alumni of University of Moratuwa.
2. Allowing prospective members to involve in the management of projects
3. Building up partnerships with organizations that are operating within the University of Moratuwa to conduct sustainable initiatives.
4. Establishing a positive image of Rotaract Club of Alumni of University of Moratuwa within undergraduates in order to attract new members to the club.
5. Revitalizing and encouraging senior/ inactive members of the club to engage in club activities.
6. Identifying inactive members and terminating their membership.
7. Organizing initiatives that support the lifestyle of an Alumni member
8. Providing benefits to members participating in sessions

CLUB PROJECTS

RiseUP

From: 25-08-2021 To: 14-11-2021
Chaired By: Rtr. Malitha Gunawardena

RiseUp 2021 was the annual board training conducted for the board of Directors of year 2021-22. The main goal of the project was to enhance collaboration within the team and provide an insight into the service done by Rotaract as youth leaders. Due to the situation that prevailed in the country with COVID regulation, the training program was planned to be conducted in two phases.

Phase 01

The first phase was a virtual gathering of the board of directors held on the 31st of August and the 1st of September 2022. The virtual event consisted of ice breaker sessions, knowledge-sharing sessions by past presidents and Brainstorming sessions on project activities and year plans focusing on transformations required in projects considering the new normal with COVID regulations.

Phase 02

The second phase was a physical gathering held on the 13th and 14th of November at the Ramadia Ranmal Hotel, Moratuwa. A board meeting was conducted as a part of the event which enabled the board of directors to streamline the future activities of the club. The session comprised of fun activities to strengthen the bond and enhanced the team spirit between the members which enabled the members to mingle together in achieving the goals of the club as one team.

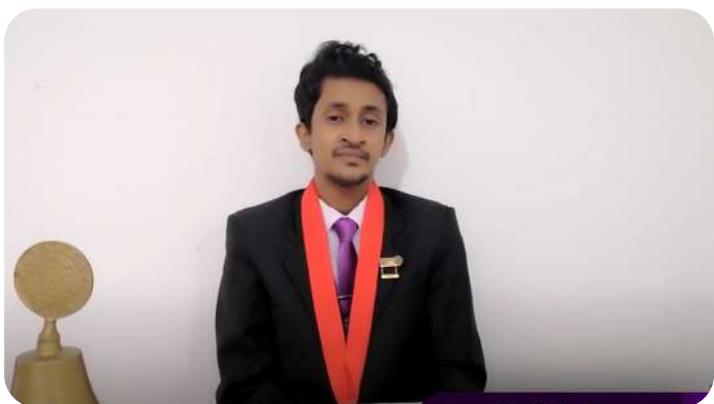

Installation Ceremony

From: 12-06-2021 To: 02-10-2021

Chaired By: Rtr. Malitha Gunawardena | Rtr. Iroshan Vidanage

The installation ceremony of Rotaract Club of Alumni of University of Moratuwa was held on the 2nd of October 2021 for its 9th consecutive time, to install the president of the club for the year 2021-22, Rtr. Kavinda Senarathne and his board of directors. The event was held as a session that premiered on Youtube and Facebook which was a compilation of pre-recorded videos of the guests speaking at the event and all the formal proceedings of the ceremonious occasion. The event also showcased the theme of the year "Empowering Change to Enrich Lives" and highlighted how the vision of the club was aligned with this theme in the ambitious journey in the future.

Let's Meet

From: 01-06-2021 To: 31-05-2022

Chaired By: Rtr. Malitha Gunawardena | Rtr. Gevindu Wickramarachchi | Rtr. Buddhi Weerasinghe |
Rtr. Maheka Dahanayake

Ekai Bage

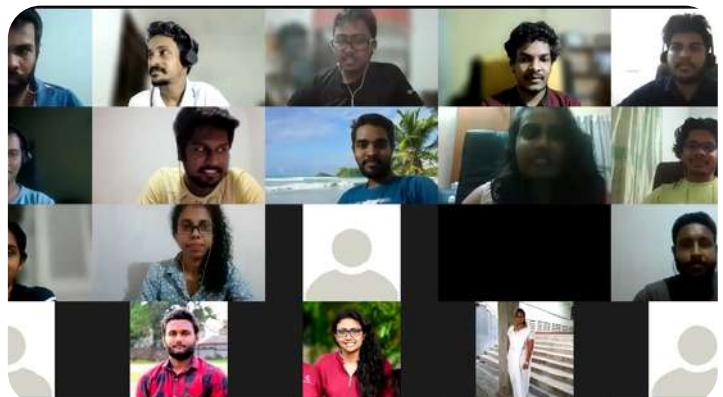

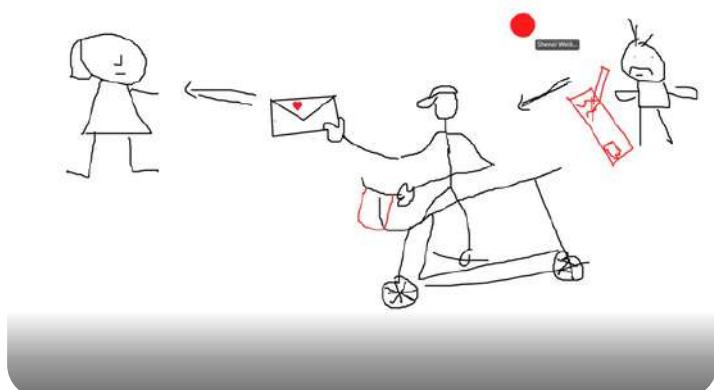

Let's Meet phase for the month of June 2021 was featured as the transitioning phase from Let's Meet 1.0 to Let's Meet 2.0. The event was organized due to the immense request of club members to organize a fellowship activity for the month of June allowing to gather around during the crucial times of the pandemic. Thus the project unfolded gathering club members including both the incoming and outgoing boards of directors of the club. The event comprised a fun activity that was based on identifying each character joining the event.

Re: Acknowledgement for receiving HDU bed mattress.

With the present Covid 19 outbreak Dehiattakandiya divisional secretariat area is considered as high risk area. Nearly 2000 positive cases have been reported during last few weeks. According to the health ministry guidance, all base hospitals should possess a HDU to treat critically ill Covid patients. To achieve this target the present isolation ward has to be upgraded to a HDU. HDU bed mattress are one of major requirement at present isolation unit at Base Hospital Dehiattakandiya.

On behalf of Base Hospital, Dehiattakandiya I would like to thank you for your generosity in donating HDU bed mattress and Mr.Sandun (Engineer) for coordinating this donation.

Thank you again for your support.

From: 01/07/2021 To: 31/05/2022

Chaired By: Rtr. Kavinda Senarathne

Project Clean SL was concentrated on the prevention of mismanaged waste which has been directly enlarging the water resources. Considering these issues Rotaract District 3220 conducted this project with the assistance of 11 host clubs to deduct the mismanaged trash around water resources. Therefore, this initiative mainly had three phases namely "Awareness Sessions", "Installation of trash traps" and "Underwater & Beach clean up". Project CleanSL was carried out with Mitsubishi Corporation as our Official Executive Strategic Partner, Marine Environment Protection Authority as the Official Technical Partner, Green Building Council of Sri Lanka as the Official Knowledge Partner, and One Among Trees as the Coordinating Official Partner.

One Million Tree Stories Donation

As the biggest plants on the planet, they give us oxygen, store carbon, stabilize the soil and give life to the world's wildlife. They also provide us with the materials for tools and shelter. They are defined as "trees". Trees help to combat global warming by absorbing carbon dioxide, removing and storing carbon while releasing oxygen back into the air. They also reduce wind speeds and cool the air as they lose moisture and reflect heat upwards from their leaves. By planting more trees, it will contribute to global reforestation efforts, restoring lost forests, repairing damaged ecosystems and mitigating climate changes. "Rotary One Million Tree Stories" by Rotary in Rotary International District 3220 Sri Lanka and Maldives, where a tree will be planted for every Rs. 100 donation. This is a kind effort from the club to build a greener future.

Diary in a Pandemic

Diary in a Pandemic 2.0 was a creative platform that allowed Rotaractors around the world to share their experiences with the global community to keep them updated about the pandemic situations in their country. Participants were requested to share a written document which contained details about the pandemic situation in their country, regarding the status of vaccination, how well the nation is holding up against the virus spread, the living conditions and their personal experiences in adapting to the new normal. The content in the written document and the photographs that each participant shared were used to create a short, doodle-based video and the written content was narrated and added to be in sync with it. These videos were shared over a period of 9 weeks through social media platforms so that the global community can get a direct idea about the pandemic situation in other nations, the measures taken and their effectiveness, as it is far more effective than what an individual can gather from the news or social media.

Thus, the Learn League project catered to delivering some valuable content which was in high demand by the international Rotaract community which was the creation of doodle videos. The limelight of the project was an interactive session which explained the complete process of Doodle Video creation and video editing process by the usage of cutting-edge software which was familiarized within the session conducted. This comprised two sessions, the first focussed on creating animated videos using Explaindio software and the second was on video editing using Adobe After Effects and Handbrake.

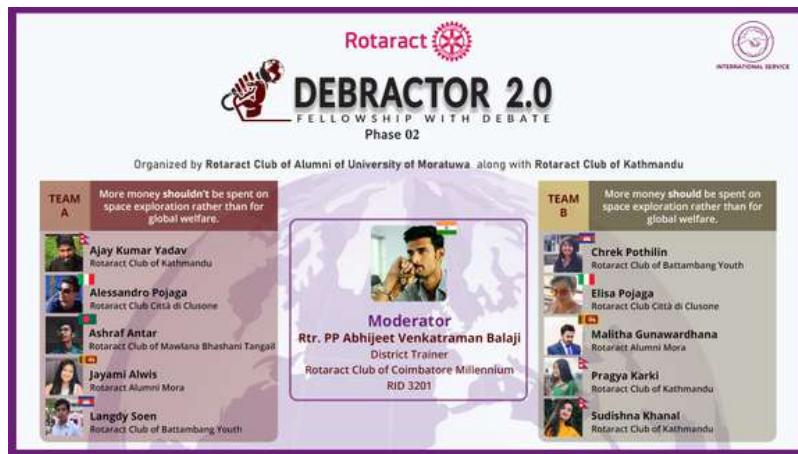

JOINT PROJECTS

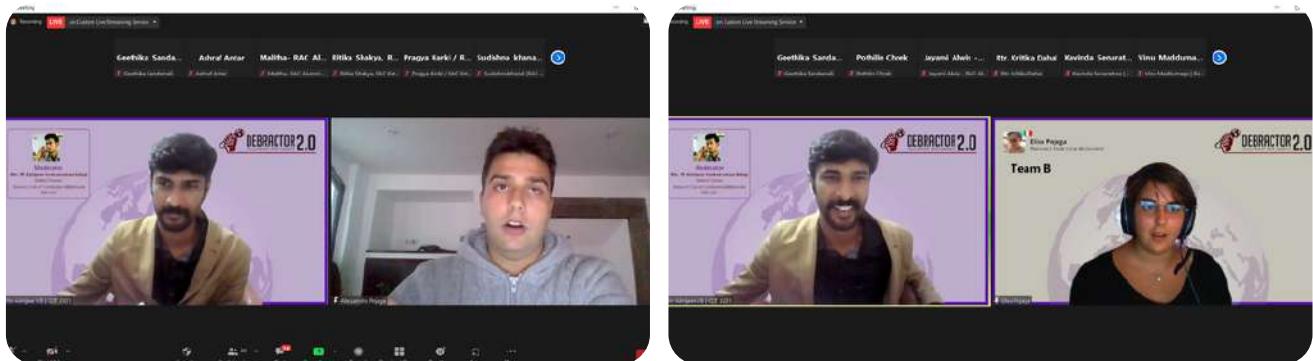

Debractor

From: 27-06-2021 To: 21-11-2021

Chaired By: Rtr. Ronali Fernando | Rtr. Geethika Sandamali | Rtr. Vinu Maddumage

"Debractor 2.0", is a series of debating competitions initiated as a joint project of Rotaract Club of Alumni of University of Moratuwa and Rotaract Club of Kathmandu. The project focuses on sharing ideas on important topics among Rotaractors with the intention to add value to their perspectives. The project was planned to be carried out in 2 phases via Zoom platform. Rotaractors from many Rotaract clubs around the world joined to witness and share their own ideas on these debates.

Phase 01

Phase 1 was a debate on whether "COVID-19 was/wasn't a barrier to render Rotaract services". Five Rotaractors each, from the two organizing clubs, were shuffled and split into two teams to debate on the topic.

Phase 02

The 2nd phase was a debate on whether "More money should/shouldn't be spent on space exploration rather than for global welfare". Two Rotaractors each, from the five Rotaract clubs, were shuffled and split to form two debating teams.

Lingo Switch

Lingo Switch is a language exchange program initiated with the goal to help Rotaractors learn different languages to strengthen the fellowship among them. The project's main focus was for participants to develop sufficient literacy to cope with a simple conversation with a native, during a visit. The program covered the use of phrases for a simple conversation, phrases used specifically while travelling and phrases used while conversing at restaurants or shops. Three such Lingoswitch phases were conducted each with a club from a different nation. The 1st was done together with Rotaract Club of Battambang Youth (RID 9780), which was then followed by phase 2 with Rotaract Club of Middlesex University, Mauritius (RID 9220) and the final phase was carried out with, Rotaract Club of Barasoain-SHS-MHPNHS Philippines (RID 3810).

Almanac - Bulletin

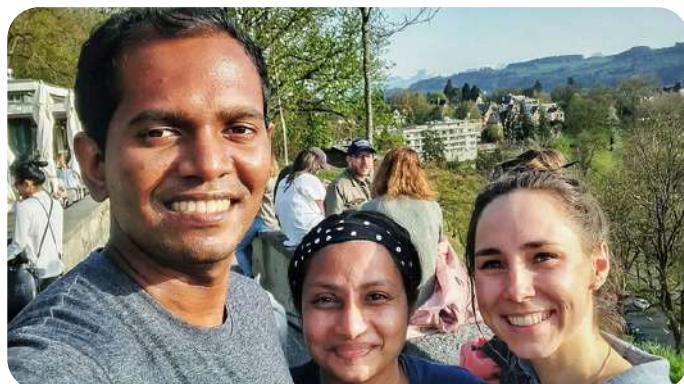

The Joint Bulleting of Rotaract Club of Alumni of University of Moratuwa and Rotaract Club of T.E.A.M. Bia Mare, Romania, RID 2241, is a project that focused to showcase the identity of both clubs. It highlighted signature projects that were carried out by the clubs and the joint project that were done together under the Twin Club Agreement. In addition to the Projects, it also included an insight into the cultural background of both Sri Lanka and Romania by featuring a selected set of famous locations in the countries. The Joint Bulletin remains a memento of the experiences and the bond that we share with each other.

Together We Stand

The main focus of the project Together We Stand was on building new connections and strengthening existing connections with international Rotaract Clubs around the globe. These comprised virtual letterhead exchanges and friendly visits to the Rotaract Clubs in different regions. Accordingly, the team was able to conduct virtual letterhead exchanges with Rotaract club of Calcutta North Suburban, India (RID 3291) and Rotaract Club Of Sun City, Bangladesh (RID 3281). Furthermore, letterhead exchanges with physical participation of members were done with both Rotaract Club of Kathmandu North, Nepal (RID 3292) and Rotaract Club of Raffles City, Singapore (RID 3310). Additionally, with the aim of building new friendships with Rotaractors from Singapore, Rtr. Sahan Wickramage from the Rotaract Club of Alumni of University of Moratuwa visited Singapore where he got the opportunity to meet Rotaractors to build new friendships and exchange cultural values with each other.

With aim of redefining and building new friendships in the European region, Rtr. PP Himantha Alahakoon and Rtr. Prabodha Chamarie of Rotaract Club of Alumni of University of Moratuwa met with Rotaractors around the world in their journey around Europe. Started off with a meetup with Rotaractors from the Rotaract Club of Delhi Akash, India in Paris, France where the friendships created by Rotasia 2020 were renewed. The next stop was the Rotaract Club of Lausanne in Switzerland where our Rotaractors were invited to attend their monthly meeting in April. During the meeting, a presentation on the service carried out by Rotaract Club of Alumni Mora was done, while introducing the RID 3220 Sri Lanka & Maldives. The third and fourth milestone of the journey was meeting with Rotaractors from Rotaract Clubs of Bern and Luzern in Switzerland where gifts and letterheads were exchanged while having an interactive time with the Rotaractors.

Stronger Together

Project Stronger Together was initiated by the Rotaract Club of Alumni of University of Moratuwa together with the Rotaract Club of T.E.A.M. Bia Mare, Romania, RID 2241, to contribute to aid the refugees of the Ukrainian war who were seeking refuge at the Romanian borders by providing them with some basic necessities such as blankets, towel and disposable tableware that were required by the refugees in the current situation. These items were purchased and shipped on the 24th of May 2022 and were received in Romania on the 10th of June 2022.

ReYOUse It

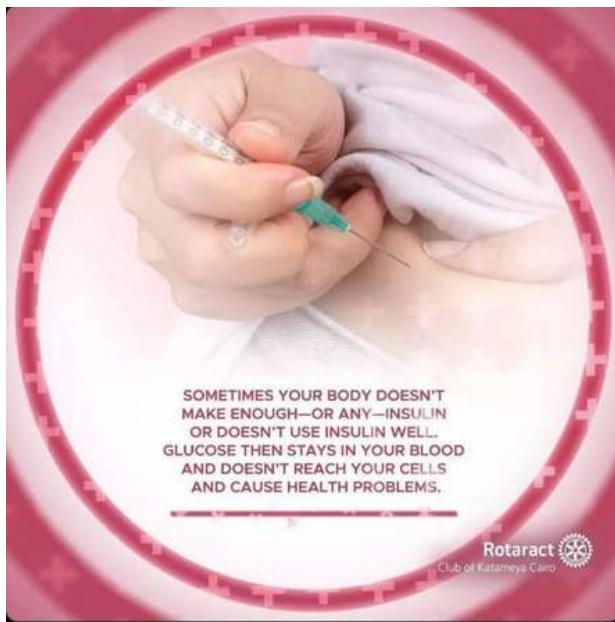

"ReYOUse It" was a project initiated with the main goal to create awareness of how the reuse of waste material can help reduce pollution. The project demonstrated by practice, showing how people can benefit by thinking creatively about ways to reuse waste that would have otherwise ended up in landfills. In addition, it also showed how Reusing waste limits the need to seek for new natural resources. The members from the Rotaract Club of Alumni University of Moratuwa, created "Vesak lanterns" by reusing the plastic bottles while members from the Rotaract Club T.E.A.M. Baia Mare, RID 2241, used pallets to build some homemade furniture for the youth centre in Baia Mare.

CLUB PROJECTS

Revamp of Rotaract Alumni Mora website & Rotaract Alumni Mora Blog

From: 01-08-2021 To: 30-04-2022

Chaired By: Rtr. Bhanuka Ratnayake

The revamping of the Rotaract Alumni Mora website and blog was initiated with the goal of improving Google visibility and rebranding the site by increasing traffic. The previous website was primarily focused on the blog, but the revamped website primarily provides club information, avenue information, and the blog. The club details mainly include information on the Board of Directors, the club's history, and the club accomplishments. The major avenues and signature projects for each avenue are the focus of the avenue-by-avenue detailing. Apart from the content, the UI/UX was also improved by integrating with an appropriate theme.

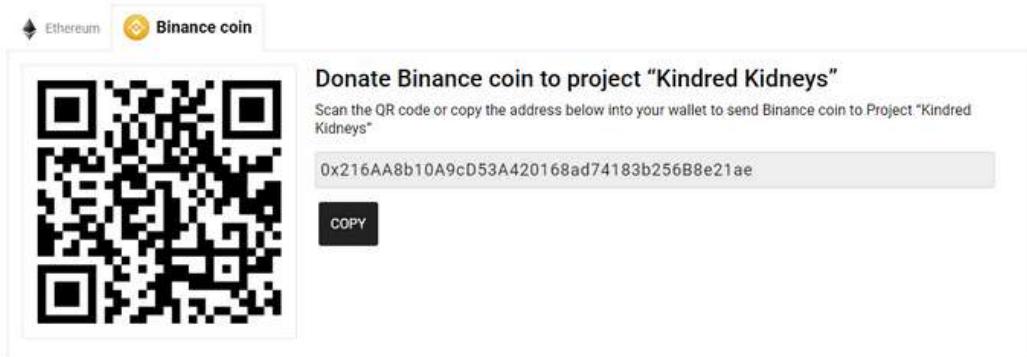

Kindred Kidneys DonateMe

From: 01-05-2022 To: 31-05-2022

Chaired By: Rtr. Bhanuka Ratnayake

Donate via Cryptocurrency

Kindred Kidneys DonateME was a novel initiative spearheaded by the Rotaract Club of Alumni of University of Moratuwa which focused on assisting kidney patients with dialysis treatment, which is a cost-effective treatment that saves the lives of kidney patients and helps alleviate the medical shortage for kidney patients. It is a platform for cryptocurrency users to send their donations to the "Kindred Kidneys" project through a trusted source of MetaMask. The goal of setting up Cryptocurrency for this cause was primarily to address difficulties with the country's current economic crisis and the rising cost of medicine, as minor donations are insufficient to purchase medicine for kidney patients.

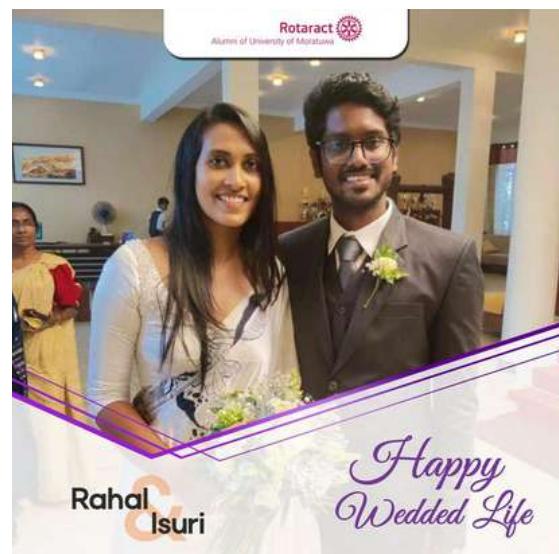

It's your day - Birthday flyer series & Wedding flyer series

From: 01-07-2021 To: 31-05-2022

Chaired By: Rtr. Kavindu Nadeeshana

Prelude

From: 04-08-2021 To: 02-10-2021
Chaired By: Rtr. Kavindu Nadeeshana

The sole aim of the project Prelude was to introduce the newest driving hub of the Rotaract Alumni Mora to the Rotaract Family. The project comprised a photoshoot of the Board of Directors 2021/22 which was followed by a Facebook campaign to introduce the upcoming Board of Directors. The project also catered to reveal the theme of the Rotaract Club of Alumni of University of Moratuwa for the year; "Empowering Change to Enrich Lives".

JOINT PROJECTS

Halt of COVID

From: 08-08-2021 To: 31-05-2022

Chaired By: Rtr. Ayesh Weerasinghe | Rtr. Sachitha Bandara

Halt of COVID was a collaborative effort initiated by the Rotaract Club of University of Moratuwa and the Rotaract Club of Hatton-Kotagala. Due to the sudden surge in COVID-19 patients in Hatton, the main city has been isolated, and the only hospital for treating COVID-19 patients has been the Divisional Hospital in Maskeliya. One of the main causes in the spreading the virus in hospital locations was the absence of an ETU for COVID-19 patients. The first phase of "Halt of Coவிட்" was dedicated to establish a COVID Emergency Treatment Unit, while the second phase focused on the country's medical equipment shortfall. A donation has been made in accordance with the hospital's requirements.

SPORTS & RECREATIONAL ACTIVITIES

CLUB PROJECTS

Sports Buddies

From: 01-07-2021 To: 31-05-2022

Chaired By: Rtr. Charu Katuwawala

Sports Buddies was an initiative continued through its second year by having weekly futsal or cricket sessions at Club Fusion Boralesgamuwa. It was an opportunity for all the work-from-home members to think about their physical fitness. In addition to all the sports carnivals, Sports buddies were unique as they aimed to foster friendship and collaboration. For most of the club members, working from home created an atmosphere to maintain a better overall work-life balance, allowing many to spend more time with their families.

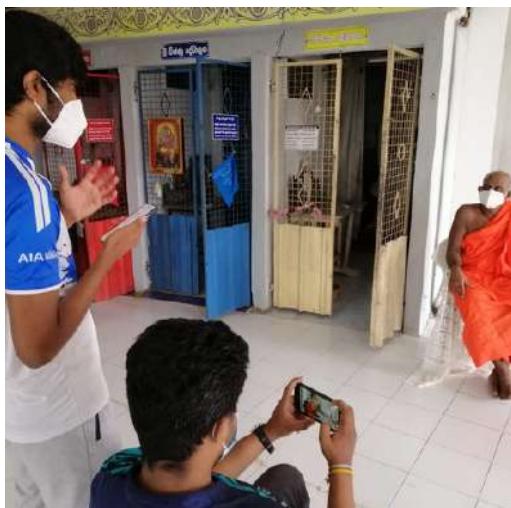

TOGETHER SL

From:01/08/2021 To: 31/12/2021

Chaired By: Rtr. Kavinda Senarathane

The project 'Madiwela Manumission' was established by Team 06 of TogetherSL focusing on the rotary focus area "Peace and conflict resolution". After figuring out the situation in that area our team identified, due to poverty, lack of resources, and access to education and opportunities the youth has been tempted to use drugs and be involved in criminal activities. The project was implemented in three phases by adhering to the provided timeline. In September, the team was dedicated to gathering adequate information and intelligence.

first phase was allocated for the PR campaign and the posters and videos were shared on all club's official social media to give awareness to the general public. The second phase was the awareness session which was held on 4th December in Madiwela with the support of the alcohol and Drug Information Centre. Finally, the third phase - the Vocational Training workshop which was conducted by Alumex was successfully held on 31st December.
